### Kill viruses, bacteria and germs on your tech devices with our Disinfecting Wipes

Keep your devices clean with Manhattan Disinfecting Tech Wipes. Their antimicrobial formula is effective against 99.99% of bacteria and germs on your personal mobile devices - smartphones, tablets, laptops, smartwatches, earbuds, handheld game consoles and more. Use them at the office to disinfect workplace desktop equipment such as mice, keyboards, phones, remote controls and more for a quick and easy clean. These soft wipes will also not scratch your screens while you clean. This set is a bulk supply of 12 resealable canisters with 100 wipes in each - it's a great choice for several households or office departments and should last you many weeks.

#### Features:

- Antimicrobial formula effective against 99.99% of germs and bacteria
