Kill viruses, bacteria and germs on your devices with our Disinfecting Wipes

Keep your devices clean with Manhattan Disinfecting Tech Wipes. Their antimicrobial formula is effective against 99.99% of bacteria and germs on your personal mobile devices - smartphones, tablets, laptops, smartwatches, earbuds, handheld game consoles and more. Use them at the office to disinfect workplace desktop equipment such as mice, keyboards, phones, remote controls and more for a quick and easy clean. These soft wipes will also not scratch your screens while you clean. The ample supply of 100 individually packed wipes in a box should last you many weeks. The box itself fits easily into backpacks, drawers or glove compartments.
