Part No.: [180450](#)

EAN-13: 0766623180450 | UPC: 766623180450

Wireless USB Keyboard - convenient access to your devices

Use the Manhattan KW1 Ultra Slim Wireless USB Keyboard on your lap, at your desk or anywhere that falls within 12 m (40 ft.) of your USB-A device. The compact design of this wireless keyboard combines all the features you expect in a standard keyboard but takes up 25% less space. The low-profile enclosure comes with crisp, responsive keys. Its function keys let you take advantage of one-touch access to shortcuts such as email, volume, play/pause and more.

The Manhattan KW1 Ultra Slim Wireless USB Keyboard requires just two AAA batteries and is equipped with an intelligent power management system that conserves battery life. When the keyboard is not in use, it will automatically power down. Once you start typing again, it turns back on.

Features:

- 2.4 GHz RF wireless technology with USB-A receiver — operating distance up to 12 m (40 ft.)
- Auto-power management to help maintain proper battery levels
- 10 multimedia-function keys for quick and easy access to frequent multimedia commands
- Sleek, compact design, ideal for small workspaces
- Plug-and-play installation; Windows® and Linux® compatible
