Wired Keyboard and Optical Mouse Set - Plug-and-play USB combo to improve your productivity

The Manhattan Wired Keyboard and Optical Mouse Set combines excellent value with comfort and durability. The Wired Keyboard offers a robust key structure, highly responsive keys, an easy-access command and arrows panel, and a full-sized numeric keypad that provide the immediate familiarity of the modern keyboard. When used in tandem with the included Wired Optical Mouse, with its standard buttons for left and right clicks as well as an easy-access scroll wheel, you'll immediately notice the enhanced accessibility of your computing experience.

This productivity booster is smartly designed to work seamlessly with your current computing setup, so your comfort and enjoyment are assured. Whether navigating expansive spreadsheets, entering numeric data or typing up reports, the Manhattan Wired Keyboard and Optical Mouse Set is the perfect replacement or complement to any computer setup.

Features:

- Sleekly styled 1000 dpi optical mouse
- Ambidextrous design for left- and right-handed users
- Ergonomic keyboard layout with generous work area
- Plug-and-play installation; Windows® and Linux® compatible
- One-year warranty
