Slim Wireless Keyboard and Optical Mouse Set - Plug-and-play USB combo to improve your productivity

The Slim Wireless Keyboard and Optical Mouse Set combines excellent value with comfort and durability. The compact design of the wireless keyboard combines all the features you expect in a standard keyboard but takes up 25% less space. The low-profile enclosure comes with crisp, responsive keys. Its function keys let you take advantage of one-touch access to shortcuts such as screen brightness, volume, play/pause and more. When used in tandem with the included Wireless Optical Mouse, with its adjustable 800/1200/1600 dpi, standard buttons for left and right clicks, and an easy-access scroll wheel, you are sure to notice an increase in how much you can get done. This productivity booster is smartly designed to work seamlessly with your current computing setup, so your comfort and enjoyment are assured. Whether navigating expansive spreadsheets, entering numeric data, or typing up reports, the Manhattan Slim Wireless Keyboard and Optical Mouse Set is the perfect replacement or complement to any computer setup.

Features:

- Sleekly styled 800/1200/1600 dpi optical mouse, keyboard and receiver set with power management mode
- 2.4 GHz RF wireless technology with USB-A receiver — operating distance up to 12 m (40 ft.)
