

DisplayPort Extension Cable

DisplayPort Male / DisplayPort Female, 3 m (10 ft.), Black

Part No.: [322362](#)

EAN-13: 0766623322362 | UPC: 766623322362

High-definition performance for personal computing.

MANHATTAN DisplayPort Cables provide a single-cable solution that delivers both high-definition digital audio and video signals between desktop and notebook computers and an output device. With 10.8 Gbps bandwidth (1080 Mbps), DeepColor and 24-bit, 8-channel uncompressed audio capability, the 20-pin connector is small, compact and ideal for use with DisplayPort-equipped computers, flat-panel displays, slim-profile devices and many consumer electronics including Blu-ray players and game consoles. Full foil and braided shielding, molded boots with strain relief, protective PVC jackets and gold-plated connections help MANHATTAN DisplayPort Cables provide maximum conductivity and clear, crisp signal transmissions with reduced EMI interference and distortion.

Features:

- DisplayPort 20-pin female to DisplayPort 20-pin male latching connections
- Delivers high-bandwidth, digital audio/visual signals from PC to display and other DisplayPort-enabled devices — up to 1080p resolution
- Supports HDMI and DVI signal pass-through
- Fully shielded to reduce EMI and other interference sources
- Female connection molded for easy use with bracket mounts
- Molded PVC boot
- Lifetime Warranty
