

## Hard Disk Drive Mounting Kit

2.5" HDD to 3.5" Bay

Part No.: [130141](#)

EAN-13: 0766623130141 | UPC: 766623130141

Give an old, unwanted drive new life.

MANHATTAN Hard Disk Drive Mounting Kit helps find new uses that extend the service of functional but idle, unused hard disk drives. Sturdy metal rails with included hardware easily install 2.5-in. SATA, IDE and other drive types into 3.5-in. bays to help expand and create new storage capacities in desktop computers.

### Features:

- Securely mounts a 2.5-in. hard disk drive into a 3.5-in. bay
- Ideal for utilizing and extending service life of idle drives and expanding storage capacities
- Compatible with SATA, IDE and other drive types
- Durable metal construction - includes installation hardware
- Lifetime Warranty
