Type-C 2-Output Powerbank with 20W USB-C Power Delivery Output Plug and Fold-out Kickstand lets you use it as Charging Phone Holder

The Manhattan PD Power Bank 5,000 mAh with Integrated USB-C Plug - 20 W is the perfect companion for your on-the-go power needs. It's designed for versatility and convenience, ensuring you stay connected wherever you are.

Pocket-friendly

As a compact 2-output power bank, it delivers 5,000 mAh to keep your phones, tablets, portable game consoles and other mobile devices charged and ready.

Integrated USB-C Plug charges without cables

No need to worry about lost or tangled cables. The integrated USB-C plug connects directly to your phone, providing seamless, fast charging with up to 20 W Power Delivery (PD).

Versatile Charging Ports for iPhones® and more

The USB-C PD output port delivers up to 18 W, making it ideal for charging a variety of interfaces, including Apple® Lightning, Micro-USB, and more. The 18

W USB-C input port recharges your power bank in a flash, so you spend less time waiting and more time doing.

Convenient Kickstand

Transform your power bank into a hands-free charging phone stand. Watch, work or play effortlessly while your device powers up.

Comprehensive Protection

Your safety is our priority. The power bank comes equipped with overload, overcurrent, and overheating protection for worry-free charging.

Compact, Portable and Lightweight

Designed for your active lifestyle, the power bank's compact, portable, and lightweight design ensures hassle-free travel and seamless integration into your daily routine.
