HDMI to HDMI Adapter Female / Female to Join 2 HDMI Cables Together

The Manhattan 8K@60Hz Ultra High Speed HDMI Coupler is a convenient solution for seamlessly connecting two HDMI cables while ensuring superior performance and signal quality. This passive HDMI type A female-to-female adapter allows you to overcome distance limitations, with the ideal setup using HDMI cables up to 5 meters (16 ft.) on each side. Featuring a robust aluminum housing with a sleek powder-coated finish, it supports cutting-edge resolutions, including 8K@60Hz, 4K@120Hz, and 1080p@240Hz, alongside Dynamic HDR for perfect contrast and vibrant colors. It is built to handle the most demanding entertainment and professional needs with every HDMI device like TV, projector, gaming console, or streaming device.

Features:

- Passive HDMI type A female to female adapter easily connects two HDMI cables to overcome distance limitations
- Using HDMI cables up to 5 m (16 ft.) on each side of the coupler is ideal for maintaining signal quality and reliable performance
- High-quality aluminum housing with powder coating
- Supports 8K@60Hz, 4K@120Hz, 1440p@144Hz (WQHD) and
