FCC

These devices comply with Part 15 of the FCC Rules and Regulations for Information Technology Equipment. Operation is subject to the following two conditions: (1) these devices may not cause harmful interference, and (2) these devices must accept any interference received, including interference that may cause undesired operation.

We, the responsible party **IC Intracom**, declare that the product **Intellinet Network Solutions Gigabit PoE+ Media Converter**, model **508216**, was tested to conform to the applicable FCC rules and regulations. The method of testing was in accordance with the appropriate measurement standards, and all necessary steps have been taken to ensure that all production units of these devices will continue to comply with the Federal Communications Commission's requirements.

Test Report Number: CTC20232192EC02

Test Report Date: 2020-03-23

Equipment Class: FCC Part 15 Subpart B, Class B
