Mobilize Your Network Enclosure - 4-Piece Caster Set with Brakes - Compatible with Intellinet Basic Series

The Intellinet Casters for 19" Basic Wall Mount Network Cabinets provide an easy way to add mobility and flexibility to your installation. This four-piece caster set transforms select Intellinet wall mount enclosures into mobile units, allowing you to reposition your cabinet whenever needed for maintenance, cleaning or workflow adjustments.

Secure Positioning with Integrated Brakes

Two of the casters feature reliable integrated brakes that lock the wheels firmly in place, ensuring a stable setup in busy IT rooms, offices or service areas.

Strong, Smooth and Built to Last

Engineered with high-quality carbon steel and a durable polyurethane tread, these casters offer excellent strength and maneuverability. With a maximum load capacity of 60 kg (132 lbs.), they deliver consistent performance even under demanding conditions.

Designed for Intellinet Wall Mount Cabinets

This caster set is fully compatible with the Intellinet 19-inch Basic Wall Mount Cabinet Series, making it a seamless upgrade for select models (see model numbers in specs). Installation is quick and straightforward thanks to the included M12 x 25 mm bolts, which easily screw into the threaded mounts of your cabinet.
