

## CrystalFilm PS

Privacy Screen Protector for Your iPhone 5, 5c and 5s

Part No.: **404907**

---

On-screen privacy protection.

Made from high-strength polyurethane film, the Manhattan CrystalFilm PS helps protect the screen of your iPhone 5, 5c and 5s from scratches and abrasions, and keeps prying eyes from viewing your personal information. The Manhattan CrystalFilm PS goes on easily with no adhesives or sticky residue, and it has a special tint that ensures you can see everything, but all that anyone off to the side will see is a black screen. Even better, we stand behind our CrystalFilm PS screen protector with a guarantee that if it does scratch, we will replace it free of charge for the lifetime of your device.

### Features:
