

CrystalFilm PS

Privacy Screen Protector for Your Samsung Galaxy S III

Part No.: **404921**

On-Screen Privacy Protection

Made from high-strength polyurethane film, the Manhattan CrystalFilm PS helps protect the screen of your Samsung Galaxy S III from scratches and abrasions, and keeps prying eyes from viewing your personal information. The Manhattan CrystalFilm PS goes on easily with no adhesives or sticky residue, and it has a special tint that ensures you can see everything, but all that anyone off to the side will see is a black screen. Even better, we stand behind our CrystalFilm PS screen protector with a guarantee that if it does scratch, we will replace it free of charge for the lifetime of your device.

Features:

- Specially tinted film improves screen privacy of your Samsung Galaxy S III
- Makes it so the only person who can view the device's screen is the person using it
- Also protects against scratches and reduces fingerprints
- Easy to apply and remove
- Limited Lifetime Warranty
