Facing the Wind

Seawinds

Cabarete, Dominican Republic

An innovative Real Estate concept whose strategic location “Facing the Wind”, waterfront, offers the opportunity to enjoy the benefits of the vibrant North Coast of the Dominican Republic.

Punta Goleta is a beautiful property located in the center of Cabarete. With a surface of more than 220,000 square meters, more than 600 meters of front beach and an area within the Cabarete Pond of more than 5,000 square meters. Limited at the East by Punta Goleta Beach; North by Kite Beach, West by the pond of more than 7 square kilometers of extension, mountains and the exuberant vegetation, caves and natural water pools of Choco National Park, which is a protected area by the Department of Environment, and in the South by the town center of Cabarete.

Within the outstanding beautiful property of Punta Goleta, is the residential condo SEAWINDS® AT PUNTA GOLETA, an innovative concept of real estates with an strategic location facing the wind with the opportunity to enjoy the benefits of the vibrant North Coast of Dominican Republic.

The condos for sale in Seawinds® are part of the first stage of the Master Plan of Punta Goleta and is developed in a portion of land measuring more than twenty three thousand square meters (23,000m²) of land, within which is an area of more than 12,000 m² only for landscape and gardens.

SEAWINDS have properties for all needs, from studios, up to apartments and pent-houses. The exclusive innovative design criteria of this Condo make of it one of the most important investments in real properties in all North Coast and the country.

*Your Place,
Your Space*

Seawinds® is composed by 105 units, all located at front beach, with ocean view and different types and dimensions detailed below:

Seawinds

Cabarete, Dominican Republic

We offer a unique lifestyle next to the ocean, with an exceptional Master Plan and condominiums carefully designed in line with the nature and extent of local and foreign user plan.

Eco Reserve:

Punta Goleta is back to a freshwater lagoon with endemic turtles. Enjoy this ecological wonder in a gondola on a lazy afternoon. This is a protected area and we take seriously our role as good stewards of the environment.

Tropical weather:

With some of the most beautiful scenery in the Caribbean, with lush mountains; crystal clear waters surrounded by clean sandy beaches; and vibrant cities with modern infrastructure.

Local Activities:

Do as much or as little as you want at Punta Goleta. Watch the kite and windsurfer's while sipping wine on the beach; walk into town; dine to the sound of the waves; be with friends; golf; it's all here for you, on your time. This is a very active community of people with diverse interests and all the activities to match!

The Cabarete community offers countless activities:

- Snorkelling and scuba diving.
- Deep sea fishing.
- Kite and wind surfing.
- Golf at four local courses.
- Quadding, biking and motor cross.
- Horseback riding.
- Surfing, paddle boarding and parasailing.
- Auto, wine, book, and dinner clubs.
- Boating and sailing.
- Ecological touring.
- Swimming and Canoeing.
- English speaking churches.
- Caving.
- Spa, massage, holistic medicine, yoga, reiki.
- Ziplining.
- Soccer, football, floor hockey, tennis, bádminton.
