There are only a few Pueblo Mágicos in all of Mexico. Talpa de Allende is one of the oldest and most famous. This village was created in 1599 by the Spanish. In the 1600's the tiny little figure of the Virgen del Rosario, also called "La Chaparrita" miraculously restored herself and miracles are credited to the village to this day. We have created technological magic right next door in Mexico's first Solar powered Net Zero development. This is a place to be active, to be restored, to heal your body and sooth your soul. Real de Talpa. Watch the video to learn how this amazing development was born. Cedro: 220 M2 including balconies and terraces. 2 bedroom, One studio, 2.5 bathroom, Living, dining, Kitchen, and Laundry room.
