RESUMEN SUP.
PB-325m²
PA-364m²

The figure is a detailed architectural floor plan of a basement level, labeled 'planta sótano'. The plan is oriented with a north arrow pointing towards the top-left. It features a complex footprint with several rooms and corridors. Key dimensions are provided in meters: a total width of 21.480m at the top, with segments of 6.774m, 9.406m, and 5.300m. A vertical dimension of 12.907m is shown on the right side. Other dimensions include 2.675m, 1.571m, 2.619m, 0.885m, 2.134m, 1.931m, 1.092m, 2.000m, 2.000m, and 1.277m. The plan is overlaid with a grid system: horizontal lines are labeled A, F', N, and R; vertical lines are labeled 1, 4, 5, 8, 9, 10, 11, and 12. A diagonal line is labeled 16, and a vertical line on the left is labeled 17. A staircase is located in the upper right quadrant. The plan also shows structural elements like walls, doors, and a central area labeled 'sótano' with a note 'RV - 2.14'. A small rectangular area is labeled 'RV - 3.13'. The plan is drawn with thick black lines for walls and thinner lines for other features. Red dashed lines connect the grid labels to the corresponding lines on the plan.
