amenities around Tanama

A modern and stunning 43-meter long pool located between Areia and Mer Building, surrounded by balinese beds, with a spectacular water mirror perceived from the entrance.

A 750-meter-long jogging trail , which will border the club and its social areas. Runners and walkers will enjoy a beautiful garden and instrumental music while exercising.

A spectacular soccer field will be available for you to enjoy with family and friends.

A barbecue area for family and friends to share.

A private makeup center and hair salon for individuals or group of women to share and enjoy.

A laundry center equipped with modern machines and spaces to relax. You can choose between sitting and admiring the garden in front of you or to get the perfect tan in the pool area until your clothes are ready.

A fitness area with state of the art machines to do your aerobic and anaerobic activities, as well as a full array of free weights and weight equipment.

A shared workspace with separate cubicles and conference rooms in order to work in a different and relaxed environment.

A beautiful restaurant / café where you can find bakery service, pastry, ice cream, a sushi bar, juice bar and other options to meet and exceed the expectations of Tanama’s hotel guests.

security specifications

Proximity card for each apartment owner to access Tanama Lodge through the entrance. With this card you will also access your property in a safe and modern way.

Security camera system all around the complex premises.
