

Villa Italia Lot 1,326 m² / 14,273 ft²

Playas del Coco, Sardinal, Guanacaste

At the top of the street straight across the road from Villa Italia in Barrio Los Canales, this lot is ready to be put to good use and is big enough for any residential project.

On the original plan it is 1,500 m², but has been adjusted to the correct size of 1,326 m² from a topographer's study.

Price is negotiable, so it won't be around for long...
