2022 VINTAGE CHART

(updated January 2022)

Vintage charts provide a general indication of a region's overall performance in a given year. This chart includes quality ratings and drinkability evaluations for most vintages that are currently available in retail stores and at restaurants and for selected older vintages. A score range indicates preliminary analysis based on barrel samples and/or a limited sampling. "NYR" means most of the wines of the vintage are yet to be released. More comprehensive vintage charts accompany our annual tasting reports and are available to website members at [WineSpectator.com/vintagecharts](https://www.WineSpectator.com/vintagecharts).
