## New Year Resolutions for Dog Owners

Go on more adventures with your four-legged friend. Make 2019 the year you visit all those fun, dog-friendly places you read about.

### Learn more about canine body language.

Learning your dog's **body language** can really help you understand your dog better and strengthen your bond – not to mention make training easier. You expect them to learn your language, shouldn't you learn theirs?

Get more exercise with your furry BFF. Don't just play fetch; Go on a bike ride, take a walk, or a run, just get outside and move.
