“Go therefore and make
disciples of all the nations,
baptizing them in the name
of the Father and of the Son
and of the Holy Spirit,
teaching them to observe
all things that I have
commanded you...”

Vicente (left), our ministry leader in the DR, prays for a family in the sponsorship program

On a mountainside, above the Caribbean Sea, lies a community of extreme poverty. Many of the children cannot afford to attend school or eat regular meals. *In Calvary's Care* seeks to minister Christ's love to these children in a tangible, relational way. Each month, the families of sponsored children come to our ministry house by appointment. Our staff sits with the family, talks with them about what's happening in their family, prays with them and for them, shares the Word with them, and then gives the family \$20 worth of supplies (rice, beans, cooking oil, powdered milk, sugar, and cookies) for each sponsored child. Our staff sends reports back to us so that sponsors can know what's happening with their sponsored children and their families. Calvary Chapel is funding the facility, staff salaries, and all operating expenses from our missions budget—not from the money sponsors send for the children.

Some of the older children happily display their Christmas gift cards, provided through the Christmas Gift Fund

Sponsorship

For \$20 per month, you can provide necessary food staples to a child challenged by poverty. Additionally, your sponsored child will receive personal care through our staff as they extend the love of Jesus Christ through prayer, fellowship and Bible study.

Every sponsor will receive a photo and information about their sponsored child, along with periodic updates. We encourage sponsors to write letters and send photos to the children they sponsor. These can be sent to our U.S. office by mail or email, or sent through the sponsor's web portal.

The children enjoy special activities like puppet shows at the ministry house

Calvary's Care combines funds. This means that each child in the sponsorship program receives \$20.00 per month in benefits even if their sponsor has not contributed the sponsorship for that month. This also means that *In Calvary's Care* does not refund any donations that it receives so that if a sponsored child moves away or otherwise is dropped from the sponsorship program, any donations received for that child will not be refunded, but will be used for the benefit of another child in the program. Additionally, we cannot accept specific donations that are only for the benefit of one child like paying for a child's medical expenses or giving a child a birthday present. We do, however, collect funds for Christmas gifts for all of the children in the program.

NOTE: IRS regulations prohibit transferring donations directly to individuals if the donations are to be considered tax-deductible. In order to comply with this requirement and to provide continuous benefits to sponsored children, *In*
