# PRESIDENT'S NOTE

*Dear Donors:*

It is with great pleasure and gratitude that I thank you on behalf of Sewa International's Sponsor a Child project. Running in its 7th year, the project has seen tremendous growth in both the geographic reach and the number of children sponsored during 2017.

Growing past 1300 beneficiaries, the project has now expanded beyond India into Nepal. In India, we serve children from Andhra Pradesh, Arunachal Pradesh, Assam, Chattisgarh, Madhya Pradesh, Jammu and Kashmir, Jharkhand, Karnataka, Manipur, and Telangana. In Nepal, we serve children who were orphaned during the 2015 Earthquake.

Sewa International continues to empower the children of the invisible poor through education. We provide educational access for their education and provide them with opportunities to excel far beyond academics to develop them into well-rounded future global citizens.

I also extend my gratitude to Gayatri Yoga Center, Keiv, Ukraine, for providing seed funds to expand the SaC program; Pramod Sajja from Georgia for sponsoring 25 tribal children from Karnataka; Ananda Rajagopal who is sponsoring 18 tribal

children; Shirim Foundation for sponsoring 12 children; Veerashaiva Samaj of North America, Connecticut Chapter, for sponsoring 10 tribal children; Ravi Chandra Chakinala (SaC Program Director) from New York for sponsoring 25 children and organizing the Sports for Sewa event to support more than 450 children from Telangana and Karnataka; and our 423 donors who are changing 1326 lives from all over India.

As a 501(c) (3) Hindu-faith based charitable nonprofit service organization, Sewa International runs a very tight ship with a low administrative cost of 7%.

Sewa serves without discrimination of race, color, religion, sex, gender or national origin. As a humanitarian, charitable nonprofit we do not proselytize.

All this is not possible without your support. Please contribute generously and help us serve humanity. Your donations to Sewa are tax deductible in the US.

*I personally thank you for supporting a child's education through Sewa International's Sponsor a Child program.*

Sincerely

**Prof. Sree N. Sreenath,**

Ph.D., MBA (nonprofit MNO)

President, Sewa International

Professor, Electrical Engineering & Computer Science

Case Western Reserve University, Cleveland OH

# Our Partners

The Sponsor a Child program is made viable through various supporting and executing partners. Seed funding by Gayatri Yoga Center, Kiev, Ukraine, helped us lay the infrastructural foundation. Table 1 shows the number of children sponsored by each large donor.

SL.NO	DONOR	NUMBER OF CHILDREN SPONSORED
1	Paramount Software	25
2	Ravi Chandra Chakinala	25
3	Ananda Rajagopal	18
4	Veerashaiva Samaja	10
5	Shirim Foundation	12
	<b>TOTAL</b>	<b>90</b>

*Table 1: Children Supported by Large Donors.*

We work with various non-profits that have good grass-roots presence and share our vision to identify the beneficiary populations for the Sponsor a Child program. Here are our primary executing partners, who are reputed NGOs running many day and residential schools, and hostels for decades:

- Grama Bharathi, Telangana.
- Sanghamithra Sewa Samithi, Andhra Pradesh.
- Sewa Bharathi, Telangana.
- Sewa Bharati, Madhya Bharath.
- Sri Vidyaranya Avasam, Telangana.
- Swami Vivekananda Youth Movement, Karnataka.
- Vanavasi Kalyana Parishad, Telangana.
- Vanavasi Kalyana, Karnataka.
- Youth For Seva, Karnataka.

# Learning Center Categories

---

An SaC learning center is either a private school for day scholars, a hostel dormitory for tribal children, orphans, or semi-orphans, or an after school tutoring center. All learning centers are run by charities catering to underprivileged children.

## DAY SCHOOL

Beneficiaries are children of the invisible poor (subsistence farmers, village artisans, maid servants, taxi drivers, auto rickshaw drivers, construction labor, private security personnel, etc.). Benefits include a subset of tuition fee support, in-class educational equipment, bus passes, uniforms, shoes and school kits (school bag, books, labels, stationery, geometry box etc.). Each school custom tailors needed benefits appropriate for the sponsored child.

## HOSTELS

Hostels dormitories housing children from rural and tribal locations are supported by SaC. The hostels are located in towns and cities 30-50 Km of the tribal areas housing children as education facilities are lacking in those communities. Benefits provided are boarding, lodging, and upkeep. Children attend the nearby Government run or private charity schools. Children from Valmiki, Chenchu, Koya, and Gond tribes benefit through this program, as parents are unable to support them on their own. Some hostels may be part of a residential school.

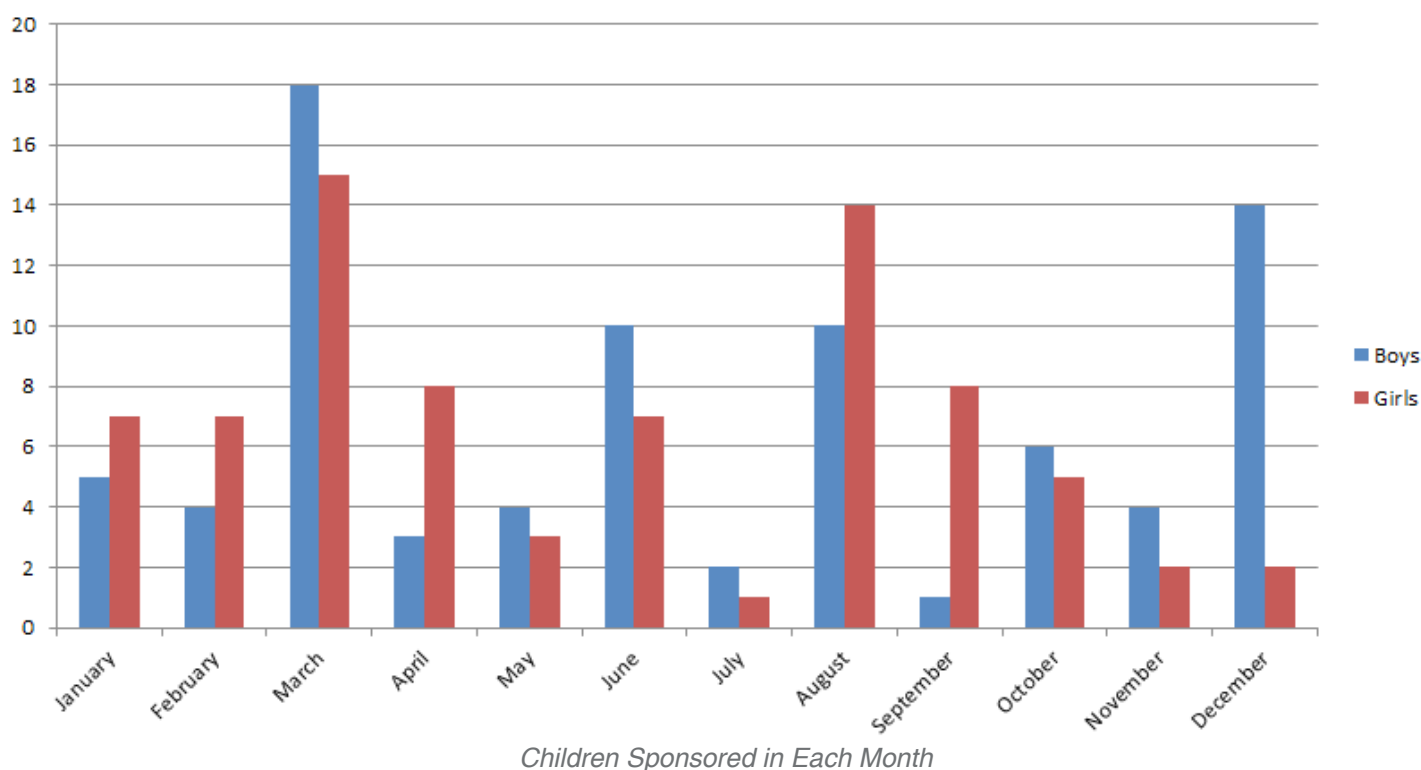

## TUTORING CENTERS

In some communities, such as in urban slums, children attending a Government run school need additional after-school tuition support. Charity run tutoring centers provide a safe environment for an unsupervised child especially if parents are working after the school ends. SaC supports such tutoring center expenses including instructor compensation, rent, bus passes and school kits.

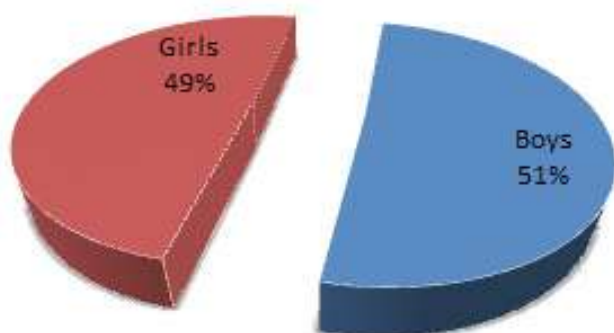

# Sponsorship Status

The year 2017 has been significant for the Sponsor a Child (SaC) program in terms of expansion.

A grand total of 1326 children are being supported in the year 2017. Thanks to the generous contribution of the SaC donors with 160 new children added this year. The beneficiaries include 530 tribal children, 464 rural children and 332 children from towns and cities across 10 Indian states and 4 districts of Nepal. The portfolio categorization graphs below indicates a gender balance, and, a urban, rural and tribal balance.

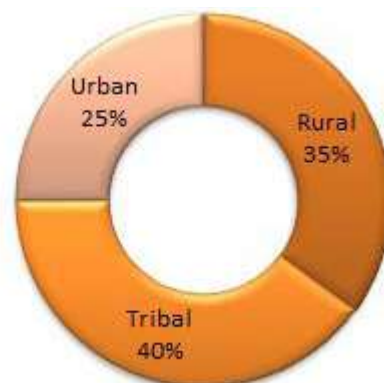

## Genderwise Sponsorship

Gender-wise Sponsorships in This Year

## Category-wise Sponsorship

Category-wise Sponsorships

# Children Development Activities

The learning centers supported through the SaC program provide holistic education to the sponsored children.

SaC program encourages children to participate in the co-curricular and extracurricular activities such as drawing, painting, performing arts (traditional dances, etc), and sports.

For instance, Vanavasi Kalyana Parishad, Telangana, one of the SaC primary executing partners, organizes national level sports event for the tribal children studying in hostels affiliated to Vanavasi Kalyana Parishad. Similarly, Sri Vidyaranya Avasam<sup>1</sup>, in Telangana organizes sports events for all the schools affiliated to them. Sri Vidyaranya Avasam houses 200 tribal children and 150 underprivileged day scholars. Around 70 hostel children are sponsored through the SaC program. This school organized Sports Day on February 4, 2017. Some learning centers especially girls hostels teach jewelry making. The children make beautiful jewelry and use it for raising additional funds for their learning center. The hostel also teaches life skills such as cooking, laundry, grooming, etc. All major festivals, including the regional New Year are celebrated in the learning centers.

(1) Holi celebration in Sri Madhava Avasam, Telangana. (2) Jewellery made by Aparajitha Seva Samithi children, Telangana. (3) Folks song training in Saraswathi Sishu Mandir, Hyderabad, Telangana. (4) Welding classes in Bhakta Kannappa Gurukulam, Kurnool, Andra Pradesh. (5) Evening prayer in hostel.

<sup>1</sup> Avasam is hostel in Sanskrit, the mother of most Indian languages.

Learning centers in Bangalore engage the employees from IT companies to volunteer with the children. These volunteers educate the children on various career options, enrich them by conducting activities together with them, and become role models. Some employees become regular volunteers at the learning centers, which helps in keeping the center costs lower. They also conduct annual cultural fests where children participate and showcase their talent.

*Top and Bottom: VMWare Employees in National School, Bangalore. Middle: Employees in Womens Peace League, Bangalore.*

Learning centers in Bhopal celebrate International Yoga Day, their annual day, Holi, and Diwali. During Diwali celebration, they conduct various competitions for children.

*Left: Annual Day Celebrations in Pran Baldev Sewa Mandir, Bhopal. Right: Competitions during the Diwali celebrations in tribal hostel in Bhopal.*

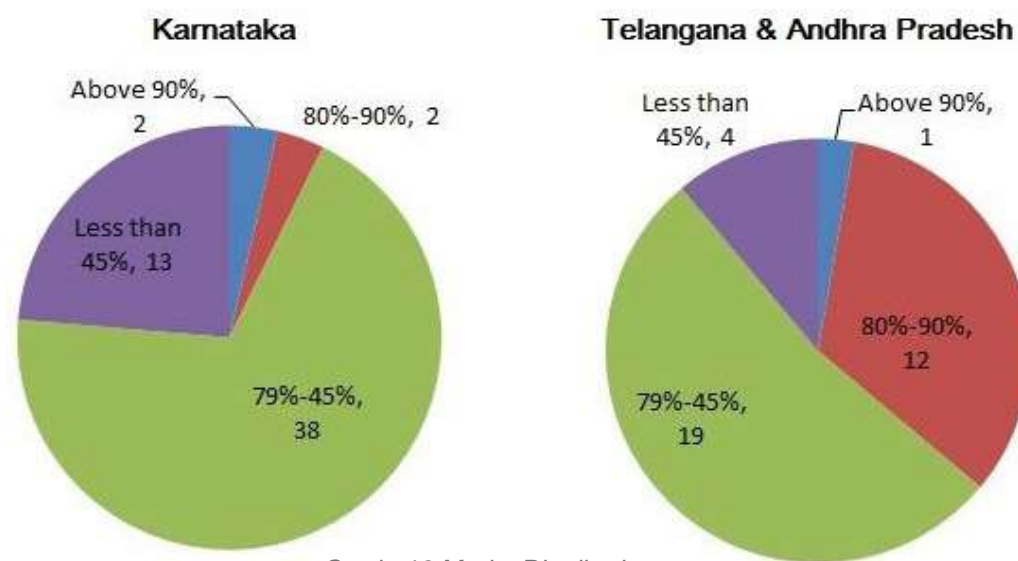

# State Level Grade 10 Results

SaC supports children from Grade 4 to Grade 10. Children appear for the State level Grade 10 Exams as a basic requirement for further training or studies. From the SaC- supported hostels in Andhra Pradesh, Karnataka and Telangana 91 children appeared for State level Grade 10 Exams.

Of the 91 children who appeared for the Grade 10 exam, 74 children cleared and 17 children failed. Those who failed to clear this important exam often have family challenges and/or undiagnosed and unaddressable learning disabilities that is beyond the scope of the SaC program to address. However, SaC requires the Learning Centers to analyze and provide the reasons for failure in individual cases to gather data to address any systemic causes and to develop potential long-term solutions.

Grade 10 Marks Distribution.

27 boys and 28 girls from Karnataka took the Grade 10 exam and 40 cleared the exam.

CHILD ID	CHILD NAME	SCHOOL NAME	HALLTICKET NUMBER	SCORED MARKS	TOTAL MARKS	%
C14-0482	Nikhil	Patthi Adinaranaiah Ramalakshamma Vidya Samaste	20170677644	587	625	93.92%
C14-0481	Vishwanatha	Patthi Adinaranaiah Ramalakshamma Vidya Samaste	20170253778	565	625	90.40%
C14-0480	Mohan	Patthi Adinaranaiah Ramalakshamma Vidya Samaste	20170677621	549	625	87.84%

Table 2 Results of the top 3 children from Karnataka.

30 boys and 1 girl from Telangana appeared for the Grade 10 exam and 27 cleared the exam.

Detailed list of all children is provided in the Annexure.

# Donor – Child Information Exchange

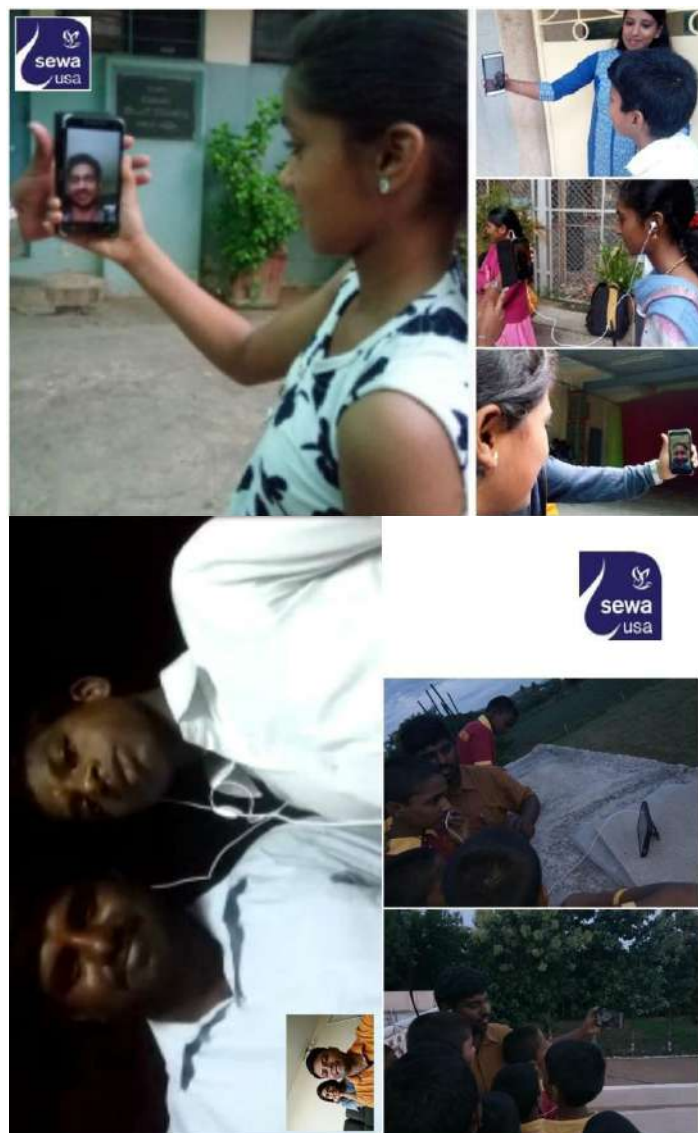

We make an earnest attempt for donor-child interaction periodically. Children prepare greeting cards during two major festivals of the region and share them with the donors. Also, their annual score cards are also shared with the donors. SaC spends significant resources in conducting these calls, but we are enormously gratified to see that the donors value them as do the children.

Children sponsored in the following learning centers had a web call with their donors.

- Vanavasi Kalyan Karnataka.
- Pathi Adinaranaiah, Bangalore.
- Women's Peace League, Banaglore.
- National School, Bangalore.
- Grama Bharati Hostel, Telangana.
- Aravinda Hostel, Telangana.
- Seva Mandir, Bhopal, Madhyapradesh.
- Viveka Tribal School, Mysore.

*Greetings from children in MP.*

*Children in Webcalls with the donors.*

# Donor Visits

Sewa's SaC Program encourages US donors to visit the Learning Centers. Visits need to be pre-arranged by contacting the SaC US Donor relations Coordinator three weeks in advance. Our local team in India will assist the donors to ensure interaction under the strict supervision of the Learning Center personnel, in order to ensure privacy and safety of both the children and donors.

In complying with the laws and practices in the United States and India, SaC takes these privacy aspects seriously to avoid unpleasant situations for the donors and children. Sharing of personal information by the Donor to the children or to their parents is prohibited. All communication is routed through SaC Program Personnel. Personal gifts to your sponsored child is not allowed. Gifts to the Learning Centers are ok. Ballpoint pens, chocolates, and notebooks are popular gifts.

Left: Jayant Korlimarla visited Bhatakanna Gurukulam, Kurnool; Middle: C.B. Suma of Veerashaiva Samaj of North America, Connecticut Chapter visited Viveka Tribal School, Mysore.

Bhopal learning center children hand over the greeting card for their donor to Rakesh Pathak.

Donor Anil Damani of Atlanta, GA sponsors 100 children in three different learning centers in Madhya Pradesh. The sponsored children from one of the centers can be seen in the photo in the left providing a special Greeting card to Rakesh Pathak, our Sewa Director of IT Services, who resides in Atlanta. Rakesh Pathak personally delivered it to the donor expressing the children's gratitude.

# Testimonials

“

## Minu Sharma, Houston

I am sponsoring a child through Sewa International. My sponsored child lives in Chennai, India. She is in 8th grade. Her parents are from Chennai as well. Her father works in farming and mother is a housewife. She is a very intelligent girl and must say a very pretty girl also. I have noticed her grades have improved a lot in almost two years. She wants to become a police officer. And I wish she will be the best in her career. I am just helping her to achieve her goals in life. She is a very good child and she deserves all the good things in life. I wish her the best. And I do encourage others who have good things in their life to please help children like my sponsored child and help them achieve their goal. It's a wonderful thing to do and I am very happy to be part of Sewa International to help these intelligent children to make their dream come true.

”

“

## Dinesh Shenoy, Denver

*Software Solutions Architect for Department of Energy*

I have been contributing for 2 SaC kids for about 2 years now, and it has been a very rewarding experience for me and my 2 kids. It is nice to see how a relatively small monthly contribution can make a true difference in these kids' lives. It is quite satisfying when we video conference with them. My sincere thanks to all the volunteers who work tirelessly behind the scenes for this program to work so smoothly. Sewa Paramo Dharma !!!

”

“

## Venkat Prasad, Fort Myers, Florida

It gives me great pleasure to provide this testimonial to Sewa and especially Ms Ranjani Kapur. My wife and I have been very impressed with the work that Sewa has done and continued over the years. Given our personal interest in children's education, their sponsorship program attracted us to donate and help move their program further and provide a greater impact to more communities and families. The low administration costs and maximum use of support dollars towards the program, ease of donating, feedback and follow up have all been exemplary. We look forward to continuing our support and work with Sewa. Words cannot express our gratitude for the work they do to help these families, children and communities through their various programs.

”

“

## Sanjay Sharma, Cupertino, CA

Sponsor a Child is a great program. This program provides education to the children from the underprivileged families in India. I have sponsored a child under this program and feel very satisfied with the education services the child is receiving through sponsorship. I talked to the child live through the video chat this month, and it was a great moment for all of our family. We can make a huge difference in the lives of these underprivileged children if this program continues to get support.

”

# Success Story

---

*Nikil, is a student from Pathi Adinaranaiah School*

Nikil is a student at Pathi Adinaranaiah school, Mudugenahalli, Chintamani Taluk, Kolar district, Karnataka, has scored 94% in the 2017 State Level Grade 10 exam. His father Srinivas B.V. and his mother Rathnamma are daily laborers. His 2 sisters - Nalinakshi and Navitha - are married.

Nikil is a very bright student and had scored consistently well throughout his schooling career. In addition, he is a talented sportsman winning the 2nd prize in county level volleyball competition.

He studied diligently for 4 hours each weekday while revising the material on the weekends with determination and perseverance. Recognizing that the family cannot afford to pay for extra out of school tutoring, his teachers arranged for free tutoring which provided the foundation for his success. He secured a total of 587 points out of a possible 625 points (93.92%), an excellent achievement for someone with his background and challenges.

This result has emboldened him to pursue his dream of becoming a doctor one day.

# Going forward

---

With a new website in making and empowered ground staff in place, in the year 2018, Sewa's SaC Program plans to connect more donors to needy children. Regular monthly and quarterly updates through social media, and providing a calendar of events are the major activities planned for the year. We will be working on a video call schedule and standardizing the dates to improve the donor-child interaction.

# Conclusion

---

Sewa International  
wishes you all a

*Happy New Year*

and once again thanks all donors for the support in the year 2017 and your continued support in 2018.

About

Sewa International is a Hindu faith based nonprofit charity registered under the Internal Revenue Code 501 (c) (3). Sewa has 41 chapters in 23 states across the US, in cities with high density of Asian Indian population.

## VISION

Sewa International, desires a world of equality where everyone is happy, enjoying good health, and living in balance with nature.

## MISSION

Mission of Sewa is to serve humanity in distress, aid local communities, and promote volunteerism.

## PROGRAMS

In 2014, Sewa launched the Toilet and Hygiene project in Karnataka. Experimenting with different toilet models, Sewa was able to come up with two models with precast composites bolted on a prepared land for different situations of a sewer line or a pit. Sewa recently built 30 toilets in Varanasi rural district.

The Family Services program is Sewa's flagship program that provides emergency services, workshop series to improve family health and wellness (envelops yoga for diabetes management, acupressure etc.), and, educative seminar series for improved life in the US (living will, finance, College prep, etc.).

Sewa conducts disaster relief/rehabilitation projects such as Hurricane Harvey, Irma and Maria (2017), Tamil Nadu Flood Relief (2016), Nepal Earthquake Recovery (2015), Maharashtra Drought Relief (2013/2016), Superstorm Sandy (2012), and Pakistan Sindh Flood Relief (2012). We undertake development projects in India, Colombia, Sri Lanka, Peru, Guyana,

and Kenya. To promote volunteerism, Sewa's Get Inspired program, and the YFS Summer Internship program introduces youth to the joys of volunteering.

In 2017, across the US, our volunteers served 140,000 hours in community service projects including Family Services, Refugee Empowerment, and, Diwali Food Drive.

## NON-DISCRIMINATION AND NON-PROSELYTIZING POLICY

At Sewa International, we respect human dignity and do not use any funds collected for proselytizing in any form. Exposure, adherence, or conversion to any religious doctrine is not required from the beneficiaries of services provided by Sewa International nor for employment at Sewa International.

Sewa International does not promote or discriminate against any person, population group, or organization with regard to categories protected by applicable United States law. In addition, Sewa International does not discriminate based on race, color, religion, sex, gender, physical appearance, national origin, age, disability, educational background, language and veteran status, for benefitting from the services provided by Sewa International, nor for hiring or employment at Sewa International Inc.
