MESSAGE FROM THE FOUNDERS

Nothing Can Stop Your Generosity—Not Even a Pandemic

Dear Partner,

2020 was a difficult year for people around the world.

It’s been amazing to see your generosity and faithfulness. You stood by these children through a difficult year. Thank you!

Because of you, in 2020:

• 3,977 children were fed daily
• 3,592 children attended COTN schools
• Children were medically assisted 8,329 times
• 2,694 people made the decision to follow Christ

With the hardships of the past year, these things shouldn’t have been possible. But as followers of Christ we know, “For nothing is impossible with God.” (Luke 1:37 NIV)

In this report you will hear about Barbra in Uganda, who is leading the way in the field of construction—which is usually dominated by men. You will hear about George, who started a nonprofit that serves high-risk children in Malawi.

Imagine a world where thousands of children grow up to make this kind of impact. There would be less poverty, more equality, and more lasting change. Because of your generosity, we know this future is possible.

For the Children,

Chris and Debbie Clark
Founders

SOCIAL AND EMOTIONAL CARE

Barbra lost both her parents at a young age. She lived with relatives, but never had enough food, clothing, or money for school. She joined Children of the Nations as a fearful young girl, but over the years she has flourished. She is studying construction at Dokolo Technical School and helps with building projects on our Uganda campus. She even helped build the boy’s dormitory! Barbra dreams of one day opening a hardware store.

George’s father died when he was one year old. His mother didn’t know how she was going to care for George and his brothers, so they prayed, and George joined Children of the Nations when he was three. Now, in his second year at university, George is already giving back to his community. He helped start a nonprofit that serves at-risk boys and girls in Malawi. Last year, they handed out masks to protect children against COVID-19! George is passionate about helping others—he dreams of becoming a human rights advocate.
