

## Celebration Sponsorship Update Mozambique

### THAT'S A WARP!

2022 has been a year for the books! We saw over 91 kids commit their lives to the Lord and over 69 baptized! This has been our first complete year of school since 2020. So much learning has taken place. All of our kids passed their national exams with flying colors. We could not be prouder of each of them.

New is 2022, we launched a new way to communicate with your sponsorship child. You now have the ability to log into your account and send emails, letters, photos and video message to your child. Our kids have loved getting correspondence from you. If you are not familiar with how to do this, check out the steps below.

### CHRISTMAS IN XAI-XAI

We celebrated Christmas with a big party! The kids played lots of games, danced and jumped in jumpy houses. The

students also put together a program under the leadership of our Bible and English/Reading Teacher. They preformed a dance and also did a drama around the story of the birth of Christ. They did an amazing job! We ended the party with grilled chicken, veggie rice, salad, cake, popsicles and soda. Each year we give a gift to each child on your behalf. This year they each took home a live chicken. Many of them saved this chicken to eat on Christmas Day with their families. They were very excited about the chickens!
