Advanced technologies are progressing art and culture by creating immersive experiences for modern audiences. In partnership with the Smithsonian American Art Museum, a name synonymous with history and education, Intel is proud to help digitally transform such an important record of American art that spans centuries.

Together, Intel and the Smithsonian American Art Museum are powering the next wave of innovation, unleashing what is possible when art and technology collide.

**About Intel**

Intel (NASDAQ: INTC) expands the boundaries of technology to make the most amazing experiences possible. Information about Intel can be found at newsroom.intel.com and intel.com.
