Cherry Blossom Tree

Materials:
- Paper lunch bag
- Pink tissue paper
- Glue
- Scissors

Instructions:
1. Leaving the paper bag folded, cut 1/4 inch strips halfway down the bag from the opening.
2. Open the bag so it can stand on the bottom and twist the cut pieces together to form branches.
3. Cut the tissue paper into small squares, approximately 1/2 inch.
4. Layer two pieces of tissue paper squares and glue them together. Fold to create a point at one end.
5. Glue the points to the ends of the twisted paper bag branches.
