Koinobori (Japanese Fish Kite)

Materials:

- Toilet paper roll
- Tissue or construction paper
- Glue
- Markers
- String
- Hole punch
- Scissors

Instructions:

1. Cut paper into scale shapes, like a capital “D.”
2. Layer and glue scales onto the toilet paper roll, all facing in the same direction.
3. Create kite tails with strips of paper or by gluing extra scales together. Glue the tails to the end of the kite.
4. Draw two eyes on the opposite end from the tails, one on each side of the roll.
5. Punch holes in the roll, opposite the eyes.
6. Run the string through the hole and tie it off.
