"I WAS TRAPPED AND NOW WITH TRUHEALTH... I'M FREE!"

Before

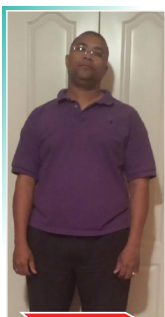

After

"I thought that I would never be free from that body I was trapped in. But after finding TruHealth, I lost 56" in 6 months, and I found me! It doesn't get any better than that."[†]

—Jana Means

"SOLID GAME CHANGER"

Before

After

"This system is easy to follow, easy to use and it tastes absolutely fantastic. In 8 months, I went from a size 44 inch waist to a size 36 inch waist. I ran 5Ks and rode my bike to and from work. So, it changed my energy level, it helped me change my activity level ... it is a SOLID game changer."[†]

—Torian Walker

"65 LESS POUNDS ON MY FEET. NOW MY FEET LOVE ME."

Before

After

"I've been on Mannatech TruHealth for six months, and I went from a size 18 to a size 8 and I feel amazing. If you follow it and stick to it, you're going to lose weight. There's no question about it."[†]

—Julie Longtin

[†]The foundation of this system is slow, steady and sustainable improvements in body composition. During a typical month, research suggests that individuals committed to regular intake of the TruHealth products and the dietary and behavioral components associated with the system may expect to lose up to 8 pounds and 2 inches in waist circumference. Always consult with your physician before starting any fat-loss program.

WHERE DO YOU START?

IT'S EASY! ORDER THE TRUHEALTH 30-DAY FAT-LOSS SYSTEM.

Scientifically validated to help you lose fat and inches, the TruHealth System is your best friend in the fight against flab.[†] What's more, it's completely risk free with an unprecedented 180-day money-back guarantee!***

HOW DOES IT WORK?

The TruHealth system works by combining the power of three life-changing products: a protein shake packed with naturally sourced nutrition, an internal cleanse drink to help release impurities from your organs[†] and a thermogenic capsule designed to fire up the furnace of your metabolism. This powerful trifecta, combined with a diet and exercise plan, can help you achieve your health goals ... and fit into the clothes in the back of your closet!*

*** Always consult with your physician or other qualified healthcare provider before embarking on a new diet or program. This program is not recommended for pregnant or lactating women. If you are taking medications, have a health condition or are planning a medical procedure, consult your health professional before beginning this program. It is also not recommended for children under the age of 18. If you have any specific questions about these matters, you should consult your doctor or other healthcare provider.

*When four TruPURE slimsticks are taken per day in conjunction with the TruHealth System recommendations: plentiful water intake, intake of healthy foods and elimination or low intake of processed foods, alcohol, caffeine, etc.
