I'LL LOVE YOU FOREVER

"My grandmother loved jewelry, and I always admired all of her accessories. She was legendary! To celebrate her memory on my big day, my sister and I created this special Locket in her honor. It includes pearls because she was born in June, an infinity heart because I'll love her forever, and blue Swarovski Crystals. Blue was her favorite color so this was the perfect 'something blue' on my wedding day. I'll treasure this always."
