

ORIGAMI OWL®

WHAT STARTED WITH BELLA HAS NOW BECOME A movement

When I founded Origami Owl at 14, I had one goal... to get a car for my 16th birthday. Now my goal is to empower entrepreneurs to create a ripple effect of good and kindness in the world. I love celebrating the moments and memories that define our community, and hearing heartwarming stories of hope, family, faith and personal growth. Your stories continue to inspire me. I'm proud of the work we're doing to make a difference. Thank you for being part of our mission to love, inspire and motivate people of all ages.

together

WE CAN MAKE A DIFFERENCE

Our Mission is to be a Force For Good®; to love, inspire and motivate people of all ages to reach their dreams and empower them to make a difference in the lives of others.

On our Punta Cana Incentive Trip, our Designers were able to serve a local community.

They donated over 225 backpacks with school supplies, including microscopes.

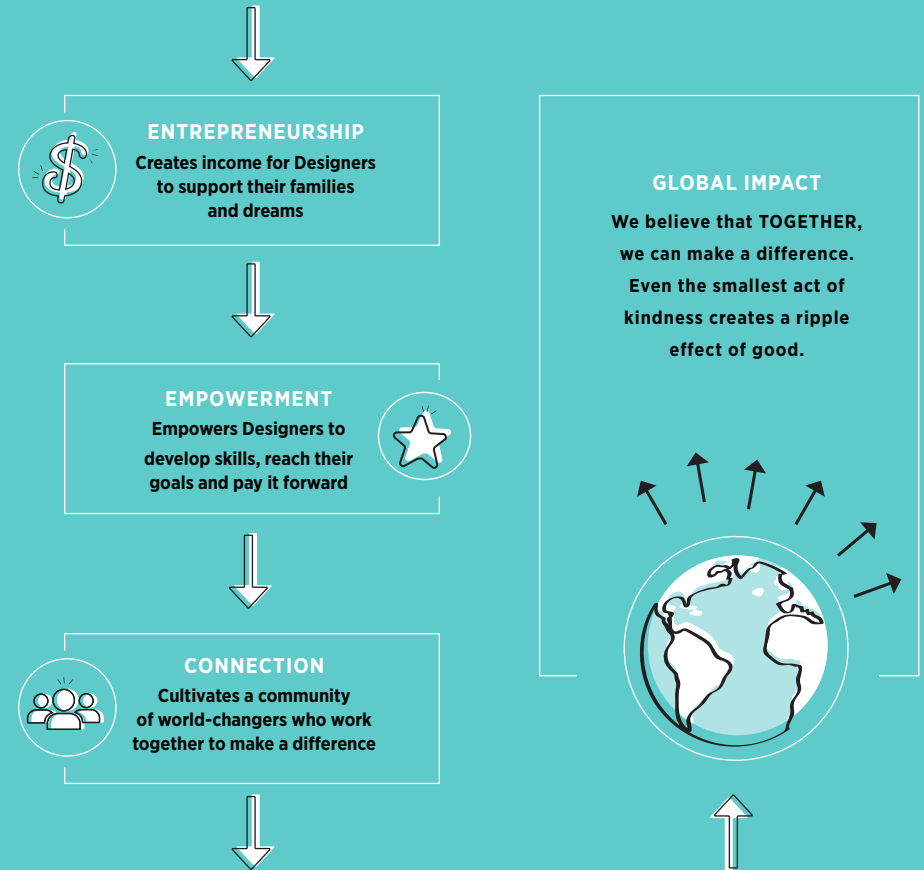

Over \$2,000 in tuition money was also given to educate impoverished children.

WE BELIEVE...

- ... in spreading light, love and happiness.
- ... in feeding the hungry and comforting the sick.
- ... the world needs more connection and kindness.
- ... by sharing our stories, we can support and strengthen each other.

A close-up portrait of a smiling woman with long, dark brown hair. She is wearing a gold-colored necklace with a large, ornate, teardrop-shaped pendant featuring intricate filigree and a central gemstone. The necklace is adorned with small, round, light-colored beads. She is also wearing matching gold-colored earrings with a similar teardrop design and hanging beads. She is wearing a white top with a visible gold-colored button at the neckline. The background is a soft, out-of-focus warm tone.

ORIGINAL MOTHER AND DAUGHTER TEAM!

Like so many of you, all I've ever wanted for my five children is for them to learn the value of hard work and develop the confidence and necessary skills to launch successfully into adulthood. Parenting teens is hard! Our Young Entrepreneurs Program gives you the opportunity to keep your kids close, while helping them learn work ethic, money management and build confidence. The growth I've witnessed in Bella, as well as thousands of other youth, is inspiring. Not only do you get to do this together, but you also get the support of our incredible community - a true "village."

♥ Chrissy

This heart is to remind people that they can heal after a tragedy in their life.

Remember you have family and friends who support you through hard times.

I think this should be a charm because people go through a lot of different pain, but I want them to know they can heal.

I was inspired to do this charm because my family and I witnessed the Las Vegas shooting.
