

Origami Owl Youth Council

dream

Fall always brings back happy memories. From the family traditions, to the cozy feeling in the air, and the happiness it brings, I just love this season! I will never forget going to the pumpkin patch as a family and then carving pumpkins together.

Now, I hold those memories close to my heart and I look forward to carrying on those traditions with my future family.

I always pinch myself when I reflect on my journey with Origami Owl. I started this when I was 14 and I'm passionate about inspiring the youth for that reason. We've created this story together. It inspires me to watch people tell their stories through Living Lockets® or earn extra money to support their families. I'm proud of the work we're doing to make a difference. Thank you for being part of our mission and spreading the warm feelings of fall. I hope you love this collection as much as I do!

Add Swarovski® Crystals and Charms that tell your story!

The Tree of Life has many meanings. It can symbolize family, a fresh start, growth, strength and a bright future. The Tree of Life has always reminded me of the importance of strong family roots and a solid foundation. Though we may spread out in various directions, we remain supported and always connected.

Stitched Heart "Mended with Love"

This heart is to remind people that they can head after a tragedy in their life.

Remember you have family and friends who support you through hard times.

I think this should be a charm because people go through a lot of different pain, but I want them to know they can heal.

I was inspired to do this charm because my family and I witnessed the Las Vegas shooting.

OWLETTE FORCE FOR GOOD®
"MENDED WITH LOVE" CHARM

100% of the profits from this Charm will benefit Our Military Kids organization. Our Military Kids covers expenses for children of wounded veterans from all service branches.

If you know a boy or girl between the ages of 11-17 who could benefit from the **Owlette Program**, reach out to an Independent Designer to get started today!

Because of the Owlette Program, I've been able to work a business alongside my best friend (my mom). I've been able to motivate and inspire youth from all over the world and give back to my community."

Molowe K. Owlette Senior Designer

Sharing my passion for helping others is what I love about being an Origami Owl Designer! Whether it's helping Customers create the perfect Locket or empowering my team to reach their goals, I can accomplish it all with a flexible schedule, so that I can always put my husband and daughter first!"

Breanna J. Senior Director

My love for Origami Owl started because I wanted a Locket to cheer on my team. I've come out of my shell to help others tell their stories and made amazing friends along the way."
