Why Do We Include B Vitamins?

B vitamins influence the production of energy within cells, naturally, without the addiction, jitters or withdrawals.*

Benefits:

Energy production*

Metabolize sugar and fat*

Strengthen immune system*

Psychological functions*

Along with B vitamins, Focus is uniquely blended with Lion's Mane mushroom, yerba mate, ginkgo biloba, DMAE, rhodiola and huperzine A for mental clarity, physical adaptation and additional metabolic support.*

Chelates give the body the ultimate chance to absorb each mineral for optimal results.*
