

KID'S POV

EXPERIENCE KOSCIUSKO COUNTY THROUGH THE EYES OF SOME OF OUR YOUNGEST RESIDENTS!

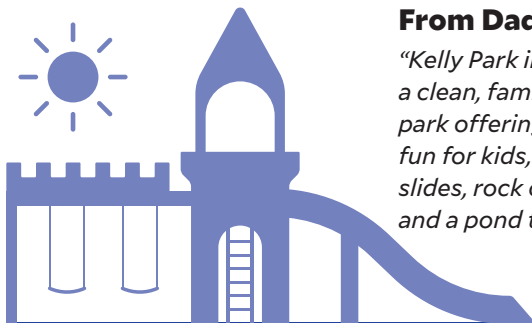

From Mom:

"I like to go to Jellystone because there are activities for the whole family, so no one gets bored! While we're in this part of K-county, I also love to visit Pierceton and North Webster for their antiques and boutiques."

"My favorite place to go is Jellystone Campground because I get to go to the beach, swim in the pool, and make new friends!"

From Dad:

"Kelly Park in Warsaw is a clean, family-friendly park offering plenty of fun for kids, with multiple slides, rock climbing wall, and a pond to enjoy."

"I like trying out all the slides and climbing walls at the parks in Warsaw. I also liked walking around the pond with my Dad."

Cam H. | Age 9

Delilah M. | Age 7

From Mom:

"I have always loved Winona. It's not only beautiful but also a great community where everyone treats you like family. I remember coming to The Village with my mom as a kid so to see it growing and changing as I bring my own family here is so special."

"I like to get candy at the market and play with my sister at the playground!"
