io pendant

Integral LED 19.2W Dry rated Dimmable

io Pendant takes a circular 2D design and extrudes the glass downwards to create a perfectly ribbed cylindrical form. The luminaire's components are discreetly hidden, making the glass the true hero of the product, allowing the light to subtly reflect and refract.

The io Pendant has been handcrafted to the highest quality, with no detail spared. The delicacy of the glass will add a real sense of luxury to any interior space.

Halftone 400 + 600

Integral LED 8.7W + 14.4W Dry rated Dimmable

The Halftone's subtle, etched pattern begins from the edge of the disc and increases with intensity, creating a vivid ring of light.

The transparency of the acrylic allows the wall to still be visible, both when the light is switched on and off. Designed in two sizes and depths, Halftone can be layered to produce more intense and striking illumination, that will add interest to the surrounding architecture.

Orb + Orb single

LED G9 3W max Damp rated Dimmable

Primarily designed to be positioned alongside a bathroom mirror, the Orb is an illuminated magnifying mirror unlike any other, providing useful task lighting with an appreciable sense of design.

The Orb Single offers the same great design, a perfect partner for the Orb, or a standalone piece that will look striking on any wall.
