

Greetings Campers!

My name is T.J. Read, and I am the camp director for the UCF Volleyball Camps. We're excited that you will be spending time with us this year, and we look forward to having you on our campus!

As we get closer to the 1-Day Boys Camp, I wanted to reach out and provide some information before we get started!

Here is the most up to date schedule: [2021 1-Day Boys Camp Schedule](#)

If you haven't already, you must complete the following tasks for each camper:

1. Please be sure that you have completed the camper waiver in our online portal, **print & sign** and bring with you on the first day at camp check-in. Please also be sure to input the athlete's birthdate rather than the parent's birthdate on the form. The waiver must be filled out completely including athlete gender. [Click here for instructions.](#)
2. Please be sure to print, fill and sign this document that is required by the UCF Youth Protection Program. Click here → [Campus Waiver](#)
3. Please confirm your registration and make sure that you have the correct amount of T-Shirts and T-Shirt sizes. There should be a t-shirt listed under your camp registration. Please email us if you need to update anything. [Here are instructions to confirm your registrations.](#)

Covid Testing is no longer required to attend camp, but we encourage everyone to be aware of the health and safety of themselves and others by staying away from those that you might suspect to be sick and also staying home if you are sick. If you already paid for a Covid Test through our system, you will be refunded on the card of the original payment. If you don't receive this refund within 7 days, please reach out to us so that we can make sure that the refund was processed correctly.
