

### **Where will “Check-In’s & Check-Out’s” take place?**

All Check-In’s & Check-Out’s will take place at “The Venue” on the campus of UCF for commuters. For our overnights camps, where a camper is signed up as a “resident”, check-in will take place at the Lake Claire dorms on campus. (Please see campus map)

### **What is the age range for each camp?**

Each camp, with the exception of team camp, is set to accommodate players entering grades 6-12. Team camp is a high school specific session.

### **Who can register for camps?**

Camps are open to everyone. Some camps are limited by age and grade, and all camps are limited to a maximum number of campers. Spots are filled first come first served based on date we receive your payment.

### **When is the deadline to register?**

All camps have a limited number of spots based on the number of courts and/or dorms we have reserved for that camp. All spots are filled on a first come first served basis by the date your registration is complete. The only registration deadlines are for overnight camps because we must turn in the exact number of rooms we are using 2 weeks before the camp. All other registrations will stay open until all spots are full. If spots are still open on the day of camp, walk up registration will be available.

### **How soon should I receive confirmation of my registration?**

When you fill out online registration form and pay online, you will receive confirmation via email immediately.

### **Is there a way to get on the wait list for a full camp?**

Please email [ucfvolleyballcamp@gmail.com](mailto:ucfvolleyballcamp@gmail.com) to express your interest in being placed on the wait list. Online registration closes when the camp fills.

### **What is the difference between the residential and commuter options for a camp?**

**“Residential campers”** will have on campus housing provided for the duration of the camp.

**“Commuter campers”** will be responsible for their own housing and transportation to/from each day of the camp.

### **Are meals provided?**

For the “resident” campers at our Team camp and 3 day All-Skills camp (July 10-12 & July 21-23), all meals are provided. For “commuters” at those camps, lunch is provided. For all other camps, meals **are not** provided.

### **Who are the coaches for the UCF Volleyball Camps?**

### **How do I know the schedule of my child's camp?**

For multiple day camps, we will e-mail schedules as part of our pre-camp manual prior to the camp's start date. You can also see a tentative schedule listed under the "documents" tab at [\*\*www.ucfvolleyball.com\*\*](http://www.ucfvolleyball.com)

**What is the layout of the dorm rooms?**

**Who provides supervision while my child stays in the dorms?**

Camp coaches and staff will also be staying in the dorms. Campers will receive room #s and phone #s of camp staff.

**Can I request my roommate?**

Yes! When registering there will be a spot to request up to 4 roommates within the registration page, although it is not always possible due to numbers of athletes and rooms available. The best chance to have a roommate preference honored is for campers to request one another as a roommate. Make sure you and your roommate register early. All camps have a limited # of spots and are first come first served.

**Can parents visit their child in the dorm?**

Parents may visit their child outside of the dorm only. At no time other than check in and check out will anyone be allowed into the dorms that is not a registered camp athlete or staff member. This is a security precaution for all that attend the camp. No one other than the campers assigned to a room may be in the room at any time.
