

PLATINUM DOUBLE SLIDERS

Double Tilt Slider

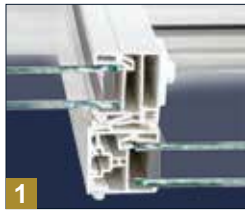

Double Lift-Out Slider

Shown with optional automatic flip locks

Characterized by two sashes that move horizontally that tilt into the room for easy of cleaning and maintenance. Armor offers a number of different slider styles from Double Tilt, Single Tilt, Butterfly, Lift Out and End Vent Sliders to fill any need you can throw at Armor.

Operating sashes are designed with a positive interlock design for an airtight seal.

Triple weather seals made from santoprene rubber and schelegal prevent air and water leakage.

Optional - flip lock is a positive action lock with an added safety feature that remains up when the window is not locked.

Fusion welded sash and frame with multi-chamber design for added strength and insulating value.

Fly-maze - an Armor innovation that allows water to run through while keeping the insects out

Heavy-duty screen with overlap channel design eliminates unsightly light gaps.

ALSO AVAILABLE IN SINGLE SLIDER.

With the same features as Double-Sliders, the Platinum Single Tilt and Lift-Out Sliders feature a stationary sash and second operating sash.
