

NEW IN 2019! OPEN SEATING

To enhance the fan experience, the A-10 and Barclays Center have instituted an Open Seating procedure for the 2019 A-10 Men's Basketball Championship. The majority of seats in Barclays Center will be Open Seating, providing fans with the opportunity to sit closer to the playing floor and/or near their team's bench. Please note, however, that some seats are reserved. Refer to the seating chart on the other side for the Open Seating areas in blue.

BROOKLYN FAN ZONE

Sections 1, 15, 16, 17 and 31 comprise the Brooklyn Fan Zone and are located behind the basket at each end of the floor. Fans who possess a Brooklyn Fan Zone ticket may sit anywhere in these five sections (and these sections only).

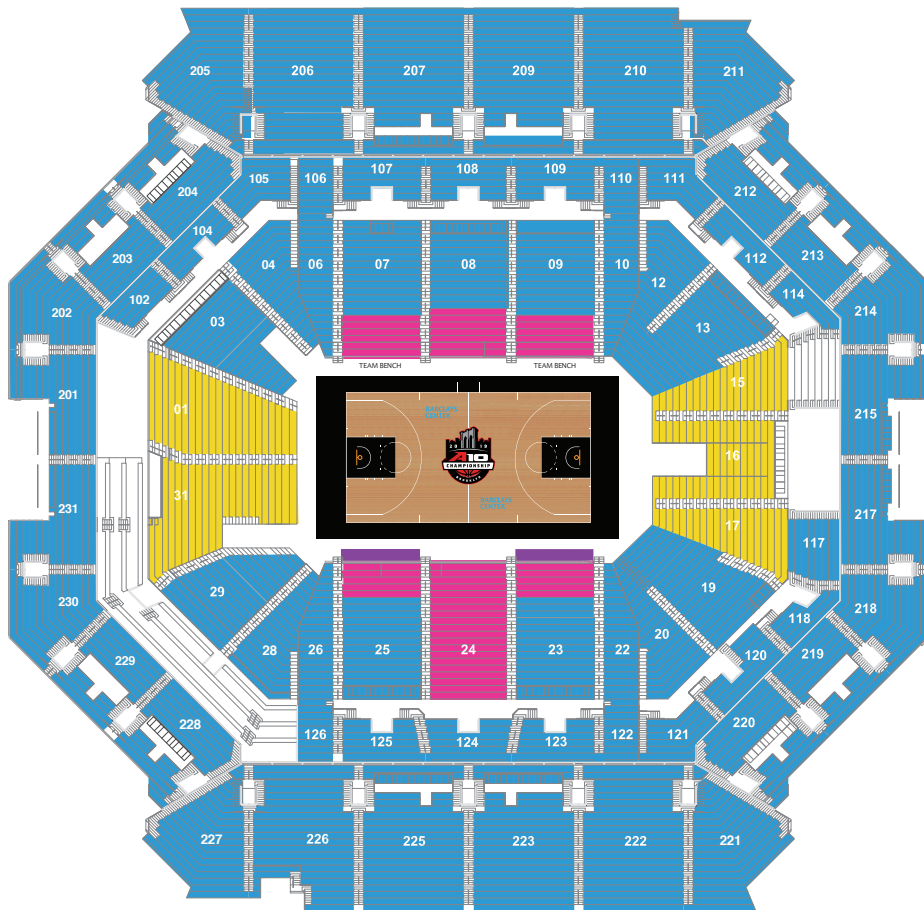

Building will open one (1) hour prior to the first game of the session. The building will be cleared and patrons will need to re-enter between sessions on Thursday and Friday.
