

The new Kia Picanto.

A small city car with BIG ideas!

Movement that inspires

4.2-Inch Colour LCD Cluster

8-Inch Multifunctional Touchscreen Display

60:40 Split-Folding Rear Seats

Big things can, indeed, come in small packages, and the all-new Kia Picanto is a perfect example of that. This compact-yet-capable hatchback can easily zip around busy city streets and fit into tight parking spaces, yet has enough space to comfortably carry up to 5 persons and everything important to them. The Picanto's intuitive, tech-rich interior also means all your occupants are not only comfortable, but sufficiently entertained for the entire journey.

Here's what you'll LOVE about the Kia Picanto:

1.0L Petrol Engine

Keyless Entry

USB-C Ports

15-Inch Alloy Wheels*

4.2-Inch Colour LCD Cluster

Rear Camera

Wireless Apple CarPlay/ Android Auto

Floating-Type 8-Inch Touchscreen

Multi-Function Steering Wheel

Bluetooth Multi-Connection

Parking Distance Warning

Vehicle Stability Management

Straight-Line Stability Control

Hill-Start Assist Control

*available in the GT-Line spec model.
