PLAY BALL!

Proctor Journal, July 29, 1948

Our Pride of Proctor is gone but his memory will go down in the annals of Proctor as the boy and man loved, honored and idolized by young and old alike.

The ideal of the young whose hopes were that they would one day be like Peanuts, and the old wishing that they too could have been like Peanuts.

Could the decision of to play or not to play the rest of the season be left to Peanuts Peterson, he would be the first to call out "Play Ball!"

Now that Peanuts, our Peanuts, has been transferred to the Big League to play on the Greatest Diamond of all, we who cheered, admired and loved him know that when the Greatest Manager calls out "Play Ball," that Peanuts Peterson, Our Pride of Proctor, will be right there to bat.

-A Proctor Baseball Fan
