

Total Score: 1490

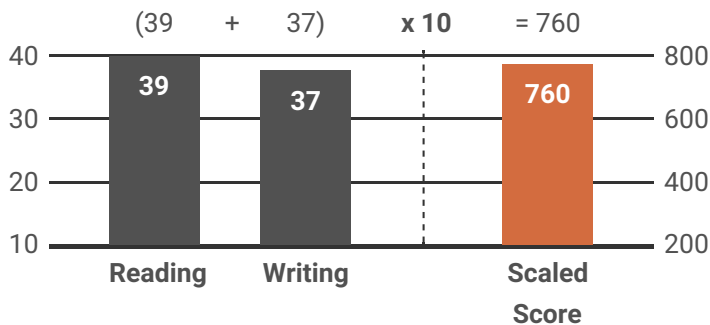

There are a lot more subscores and cross-test scores on the New SAT, but your total score is simply a Reading & Writing score (200-800) combined with a Math score (200-800). You scored a **1490** out of a possible 1600.

ACT Equ. Score: **33**

Reading & Writing: 760

To calculate your Reading & Writing section score, the College Board gives you a score of 10-40 for the **Reading Test** and for the **Writing & Language Test**, combines them, then multiplies by 10 to create a 200-800 scale.

TEST	CORRECT	SCORE
Reading	50/52	39
Writing	41/44	37
TOTAL	91/96	760

Math: 730

To calculate your Math section score, the College Board gives you a score of 10-40 for the **Math Test**, then multiplies by 20 to create a 200-800 scale.
