Dear Mr. Zeldin:

This letter is official notification that the Veterans of Foreign Wars Political Action Committee (VFW-PAC) Board of Directors has endorsed your candidacy for election to the United States House of Representatives. In addition to comments received from VFW leaders in your state, this endorsement is based on your strong support for veterans, national security/defense, and military personnel issues.

The Veterans of Foreign Wars Political Action Committee (VFW-PAC) is the nation's only major Veterans Service Organization PAC. VFW-PAC, incorporated in 1979 and properly registered with the Federal Elections Commission, provides the 2.2 million members of the VFW, its auxiliaries and their families with an opportunity to collectively support candidates for federal office. VFW-PAC endorses only those candidates for federal office who support our nations' veterans and stand in support of a strong national defense.

Please be advised it is imperative that any press release state that this endorsement is by the VFW Political Action Committee. Congratulations and thank you for your support.

Sincerely,

Larry W. Rivers
Director, VFW-PAC
