

COMMUNITY COVENANT

supporting those who serve

Town of Houlton A Military Friendly Community

As members of the Town of Houlton, we are committed to providing support to the brave men and women of the United States Armed Forces, Reserves and National Guard.

We recognize the importance of working cooperatively with our community partners to honor the commitment Service Members, Veterans and their Families make every day.

We recognize that ...

- ✦ The strength of Service Members and Veterans comes from the strength of their Family.
- ✦ The strength of each Family is supported by the strength of the Community.
- ✦ The strength of the Community comes from the support of Faith Groups, Employers, Businesses, Educators, Civic leaders, and it's Citizens.

We, the Town of Houlton and the military community, are committed to...

- ✦ Building and maintaining partnerships in our community that support the strength, resilience, and readiness of Service Members, Veterans and their Families; thereby strengthening our entire community.
