Mission Statement

Parental Involvement Mission Statement (Optional)

Response: To engage Title I families to help their children succeed academically by involving them in school-related activities, helping them understand the major role they play in their children's education, and increasing communication between the home and school.

Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The Principal's parent nominations from each school will be used to recruit no fewer than ten parents to serve on the Title I District Parent Advisory Committee (DPAC). These parents along with the Title I Parent Education Facilitation team meet to develop, implement and evaluate the Parent Involvement Plan (PIP). Each section of the PIP is reviewed by the DPAC. Documentation of parent input is recorded in meeting minutes and is used in the development of the PIP. The DPAC representatives act as a liaison between the DPAC committee and the Title I school community.

The availability of the PIP is advertised to parents through schools' marquees, newsletters, and telephone messages sent to all parents. The LEA offers consultation to schools as they develop and implement their plan and activities through technical assistance, survey data and personal contact. Each school's PIP is posted on the Title I website. The LEA notifies parents about the "Parents Right to Know" requirement through the Title I Parent Handbook and the district website.

DPAC meetings will include discussion on how funds reserved for parental involvement will be spent. The funds reserved for parental involvement are used to provide a variety of activities or projects based on the needs of the schools. The LEA has allocated \$130,000.00 for district sponsored parent involvement activities. The district activities are as follows: 1) Parents-to-Kids literacy program (\$86,400.00); 2) Parent Education Workshops (\$10,000.00); 3) Regional FACT Fairs (\$6,100.00); 4) Materials and Supplies (\$12,000.00); 5) Parenting Support for Focus Schools (\$3,000.00), and 6) Updated Literacy Workshop (\$12,500.00).

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: The LEA provides technical assistance and collaboration with school leadership to ensure the ESEA Section 1118 requirements for the District and schools are met. LEA staff is available for technical assistance to schools throughout the school year. The LEA provides workshops and capacity-building activities at Title I Parent Contact meetings. Parent Contact meetings serve as a main forum for sharing information. The LEA also shares information through informal means such as e-mail, phone calls, publications, and postings on the Title I website. The LEA solicits suggestions for parent involvement activities from Parent Contacts and other school staff.

The LEA reviews each Title I school's PIP annually to ensure that each school's plan provides meaningful opportunities for parents to learn how to help their children

academically and be involved in their education. The LEA monitors the implementation of the school's parental involvement program using the Title I Annual Meeting Self-Audit checklist, the Title I Parent Involvement Survey, and participation at school events.

The LEA provides other support for parent activities by funding a family literacy program (in English and Spanish). The LEA also provides four regional FACT (Families and Community Together) Fairs that provide families with both school resource information and community resource information. A main goal of these FACT fairs is to support parents' ability to help their children academically.

Coordination and Integration

Describe how the LEA will coordinate and integrate parental involvement strategies from Part A of Title I with other federal programs (including but not limited to Head Start, Early Reading First, Even Start, Parents as Teachers, Home Instruction Program for Preschool Youngsters (HIPPY), Voluntary Pre-Kindergarten, Title I, Part C, Title I, Part D of Title I, Title III, and Title IV, Part A) [Sections 1118 (a)(2)(D) and 1118(e)(4)].

Parent Education Facilitators work with schools to support homeless students as needed.

Annual Evaluation

Describe the actions the LEA will take to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the academic quality of the Title I, Part A schools [Section 1118(a)(2)(E)].

Response: The Title I District Parent Advisory Committee (DPAC) is designed to review the Title I Part A set-asides for Parent Involvement, provide input to the district Parent Involvement Plan and propose activities. The committee members will represent Title I schools and will report committee activities to the school SAC as well as to solicit feedback and input for proposed activities.

The Title I office will conduct the yearly Title I Parent Involvement survey, soliciting feedback from parents/guardians. Results will be incorporated into an annual evaluation to determine effectiveness of Title I parent education programs. This year the district will use Survey Monkey to solicit online results. Paper copies of the survey will also be provided to parents and results will be entered into Survey Monkey. Evaluation indicators include parent attendance at school and district family engagement events, parent

contact through community events, parent input through DPAC, parent response to district surveys, school satisfaction with faculty training events, and parent satisfaction reflected through school surveys and parent input forms.

Building Capacity

If the LEA plans to implement LEA-wide activities, describe the actions the LEA will take to build the schools' and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement [Sections 1118(a)(2)(C), 1118(e)(1-14)].

The LEA plans to share information related to school and parent programs, meetings, school reports, and other activities in an understandable and uniform format in a language parents can understand by utilizing LEA translators and bilingual staff when needed.

The LEA will publicize and advertise events and meetings for parents using communication methods such as Connect-ED, flyers, brochures sent home with students, school newsletters, school and Title I websites, school marquees, and calendars. Translation will be offered in other languages, as needed (for example, Spanish and Chinese). The LEA will use the Title I Parent Involvement survey to monitor that information is provided to parents and guardians in a language they can understand. All schools are ADA compliant. Accommodations for families will be made as needed.

Discretionary Activities

The LEA parental involvement policy may include additional discretionary activities that the LEA, in consultation with the parents, chooses to undertake to build parents' capacity for involvement in the school and school system to support their children's academic achievement [Section 1118(e)].
