Ms. Gay Lewis
Liberty County School District
12926 NW County Road 12
Bristol, FL 32321

Dear Ms. Lewis:

We are pleased to inform you that the Bureau of Federal Educational Programs has received Liberty County's 2016-17 LEA Parental Involvement Policy.

Please be reminded that the LEA Parent Involvement Policy/Plan must meet all of the requirements outlined in Section 1118 of the Elementary and Secondary Education Act. The LEA is also required to share the contents of the parental involvement policy with parents of children participating in the Title I program. The information must be provided in an understandable and uniform format, including alternative formats upon request.

If you have questions or need additional information, please contact Tony Graham via email at Tony.Graham@fldoe.org, or by telephone at 850-245-9893.

Sincerely,

Sonya G. Morris

LIBERTY Title I, Part A Parental Involvement Plan

I, David H. Summers, do hereby certify that all facts, figures, and representations made in this application are true, correct, and consistent with the statement of assurances for these waivers. Furthermore, all applicable statutes, regulations, and procedures; administrative and programmatic requirements; and procedures for fiscal control and maintenance of records will be implemented to ensure proper accountability for the expenditure of funds on this project. All records necessary to substantiate these requirements will be available for review by appropriate state and federal staff. I further certify that all expenditures will be obligated on or after the effective date and prior to the termination date of the project. Disbursements will be reported only as appropriate to this project, and will not be used for matching funds on this or any special project, where prohibited.

Assurances

- The LEA will put into operation programs, activities, and procedures for the involvement of parents in all of its schools with Title I, Part A programs consistent with Section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities, and procedures will be planned and operated with meaningful consultation with parents of participating children;
- Consistent with Section 1118, the LEA will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of Section 1118(b) of the ESEA, and each includes, as a component, a school-parent compact consistent with Section 1118(d) of the ESEA;
- The LEA will incorporate this LEA-wide parental involvement policy into its LEA Plan developed under Section 1112 of the ESEA;
- In carrying out the Title I, Part A, parental involvement requirements to the extent practicable, the LEA and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Section 1111 of the ESEA in an understandable and uniform format and, including alternative formats upon request, and to the extent practicable, in a language parents understand [Section 1118(f)];
- If the LEA Plan for Title I, Part A, developed under Section 1112 of the ESEA is not satisfactory to the parents of participating children, the LEA will submit any parent comments with the plan when the LEA submits the plan to FDOE;
- The LEA will involve the parents of children served in Title I, Part A schools in decisions about how the one percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools, after equitable provisions have been provided to participating private schools;
- The LEA will be governed by the statutory definition of "parental involvement" defined in Section 9101 (32), and expects that its Title I schools will carry out programs, activities, and procedures in accordance with this definition; and

Mission Statement

Parental Involvement Mission Statement (Optional)

Response: The mission of the Liberty County School District to provide authentic opportunities for parents to be actively involved in all schools in our district. Our overall goal is to partner with parents to improve student achievement through a series of meaningful opportunities for parent engagement.

Involvement of Parents

Describe the actions the LEA will take to involve parents in the following required policies/plans:

- LEA-wide parental involvement policy (PIP)[Section 1118(a)(2)];
- LEA plan [Sections 1112 (c)(H), 1112(d)(1)]; -and
- How the funds reserved for parental involvement will be spent [Section 1118(a)(2)].

Response: The school district will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the ESEA. These programs, activities, and procedures will be planned and implemented through meaningful consultation with parents of participating children.

Consistent with section 1118, the school district will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA, and each include, as a component, a school/parent compact consistent with section 1118(d) of ESEA. Schools will gather input from parents via parent surveys and/or input provided by the District Advisory Council during meetings held quarterly during the school year. Using this format parents are involved in the review and changes of the District Parent Involvement Policy/Plan. An evaluation of the previous years plan is conducted by reviewing the number of participants at each parent involvement activity, word of mouth communication from parents, as well as parent surveys during April, 2017 to determine the success of the previous year's policy/plan. This data is used to determine activities that parents would like to see continued or integrated in this year's policy/plan. The committee will continue to gather input during the school year to make changes recommended by parents.

The school district will incorporate this district wide parental involvement policy into its LEA plan developed under section 1112 of the ESEA. In carrying out the Title I, Part A parental involvement requirements, to the extent practicable the school district and its school will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children including providing information and school reports required under section 1112 of the ESEA in an understandable and uniform format and including alternative formats upon request and to the extent practicable in a language parents understand.

Parents will provide input into the development of the LEA Plan for Title I, Part A, developed under section 1112 of the ESEA. This input will be garnered through surveys sent to all parents via backpack during the first month of the school year. The results of these surveys will be reviewed and opened for discussion at the District Advisory Council held during August of the 2017-2018 school year, which is designed to gather parent input for the completion of this plan and all other required plans.

The school district will involve the parents of children served in Title I, Part A schools in the decisions about how the required one percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools. The district reserves a greater amount than the required 1% to fully implement activities that parents have indicated that they value and would like to see continued. Parent input is received via parent surveys to all parents of students at Title I schools and District Advisory Council meetings. Sign-in

sheets of parent involvement activities are reviewed quarterly to determine the participation and satisfaction level of parents. In addition the council provides on-going feedback, and recommends addition/deletions to the planned activities during the school year.

The LEA will take the following actions to involve parents in the process of school review and improvement under section 1116 of the ESEA. The District will organize a DAC committee with the majority members not employed by the District. This committee will serve as the decision making body of the school and will meet quarterly to develop, review and offer suggestions for improvement in the School Improvement Plan, as well as all other policies required by NCLB. The DAC will review data, discuss strategies implemented, and evaluate progress made by students.

Technical Assistance

Describe the actions the LEA will take to provide coordination, technical assistance, and other support necessary to assist Title I, Part A schools in planning and implementing effective parental involvement activities which build the capacity of parents to improve the academic achievement of their child and overall school performance [Section 1118(a)(2)(B and C) and 1118(e)(1-14)]. Include a description of the process the LEA will use to review the school-level PIP to ensure compliance with all requirements of Section 1118 [34 CFR 200.30(e)]. Include information on how the LEA will provide other reasonable support for parental involvement activities under Section 1118 as parents may request [Section 1118(e)(14)].

Response: The LEA provides technical assistance to assist Title I schools in planning and implementing effective parent involvement activities during July of 2016 and continuing until plans are complete. Ongoing assistance is provided during the school year as needed. In addition the LEA monitors/evaluates the implementation of plans through quarterly reports of activities to the District Advisory Council, review of sign in sheets, attendance at school parent involvement activities and end of the year parent surveys as appropriate. Technical assistance includes but is not limited to the following; information provided in the Parent Involvement Tool Kit, technical assistance provided by the department and articles documenting the positive correlation between parent involvement and academic success. The Director of Instruction provides face to face training during leadership team meetings, as well as technical assistance as the plan is being developed via email and phone calls. The LEA will review school level PIP's to ensure compliance with Section 1118. Plans are due to the Director of Instruction in September in draft form and are presented to the DAC for additional comments/revisions at the first DAC meeting of the year. Feedback is provided and final changes are due in October. This includes a review by the Title I Coordinator, the District Advisory Council and the School Board.

Coordination and Integration

Describe how the LEA will coordinate and integrate parental involvement strategies from Part A of Title I with other federal programs (including but not limited to Head Start, Early Reading First, Even Start, Parents as Teachers, Home Instruction Program for Preschool Youngsters (HIPPY), Voluntary Pre-Kindergarten, Title I, Part C, Title I, Part D of Title I, Title III, and Title IV, Part A) [Sections 1118 (a)(2)(D) and 1118(e)(4)].

count	Program	Coordination

1	IDEA	Parent liaison services as part of the school problem solving team and assist schools with establishing services needed by families such as attending meetings, coordinating appointments with doctors, therapist, as needed and getting supplemental aides needed. These services are coordinated with schools on an ongoing basis as the needs of students and parents arise.
2	Student Services	Student Services Coordinator works with schools to provide translation services to aide in communication with families of Spanish speaking students to build capacity for families to participate in educating their children.

Annual Evaluation

Describe the actions the LEA will take to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the academic quality of the Title I, Part A schools [Section 1118(a)(2)(E)].

Response: The LEA will take the following actions to conduct with the involvement of parents, an annual evaluation of the content and effectiveness of the Parent Involvement Policy in improving the quality of its Title I, Part A schools. This review will be conducted by surveying parents (hard copy to all parents), survey monkey questionnaire, April, 2016. Additional input from parents during DAC meetings held quarterly, October, December, February, and April. Sign in sheets will be reviewed ongoing during the school year to determine participation levels at each activity. The purpose of the review of this data is to evaluate the effectiveness of parent involvement activities and to evaluate the barriers to parent participation. The results of these data elements will be reviewed annually. These results, in addition to feedback provided by the DAC will be used to evaluate and update the policy annually for all Title I participating schools.

Building Capacity

If the LEA plans to implement LEA-wide activities, describe the actions the LEA will take to build the schools' and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement [Sections 1118(a)(2)(C), 1118(e)(1-14)].

Communication and Accessibility

Describe how the LEA will provide full opportunities for participation in parental involvement activities for all parents (including parents with limited English proficiency, disabilities, and migratory children). Include how the LEA plans to share information related to school and parent programs, meetings, school reports, and other activities in an understandable and uniform format and to the extent practical, in a language parents can understand [Section 1118(e)(5) and 1118(f)].

Response: The LEA has a small Spanish speaking sub-group in the district. A concise summary of the PIP in the form of a brochure will be translated into Spanish and distributed to all Spanish speaking homes in the district. The district will coordinate with Student Services Coordinator to provide this service. The district will provide this information to schools for distribution. Schools will be required to verify in writing that the information was provided to all identified parents.

Information regarding parent involvement activities will be sent via student back pack to ensure that parents are aware of scheduled activities at each school site. School staff will verify in writing that materials have been distributed.

Parents make up the majority of the District Advisory Council. These parents are solicited to determine the types of parent involvement activities they would like to have available in the district. All parents are surveyed to determine the level of satisfaction with parent involvement activities provided in the district.

Climate surveys are conducted by each school that incorporate specific questions related to parent involvement activities.

Parent involvement activities are provided based on responses provided by these formal data collection methods, as well as informal conversations with parents and participation in school level leadership teams.

Parents have indicated that they value the following parent involvement activities available in the district. The district provides information related to school and parent programs, meetings, school reports and other activities through these parent activities. Every effort is made to ensure that written communication is provided in a simple and straight forward manner to ensure understanding. Translators are available at all schools to interpret information for parents as needed.

All facilities in the Liberty County School District meet the requirements of the Americans with Disabilities Act. If parents with disabilities are identified, the LEA will work cooperatively with the ESE department or FDLRS to ensure that adaptive technology is available to accommodate their needs. Parent involvement activities include but are not limited to the following activities.
