School Board Approval

This plan was approved by the Citrus County School Board on 10/8/2019.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The Inverness Primary School mission is to provide opportunities for parents/families to become more involved in the planning, review, and improvement of school programs and the education of their children. We will strive to develop partnership with families for sharing the responsibilities for improved student achievement.

Provide the school's vision statement.

The Inverness Primary School mission is to provide opportunities for parents/families to become more involved in the planning, review, and improvement of school programs and the education of their children. We will strive to develop partnership with families for sharing the responsibilities for improved student achievement.

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team:

| Name | Title | Job Duties and Responsibilities |
|------------------|---------------------|---|
| Harper, Kay | Principal | To provide leadership |
| Chandler, Mollie | Assistant Principal | Provide support to principal, staff, and students |
| Flaherty, Jana | Other | ESE Specialist |
| Smith, Becky | Guidance Counselor | School Counseling |

Early Warning Systems

Current Year

The number of students by grade level that exhibit each early warning indicator listed:

| Indicator | Grade Level | | | | | | | | | | | | Total | |
|---------------------------------|-------------|-----|----|----|-----|-----|---|---|---|---|----|----|-------|-----|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | | 12 |
| Number of students enrolled | 74 | 105 | 95 | 86 | 106 | 108 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 574 |
| Attendance below 90 percent | 2 | 18 | 11 | 12 | 14 | 10 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 67 |
| One or more suspensions | 0 | 2 | 2 | 1 | 2 | 4 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 11 |
| Course failure in ELA or Math | 0 | 2 | 3 | 0 | 5 | 7 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 17 |
| Level 1 on statewide assessment | 0 | 0 | 0 | 0 | 8 | 14 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 22 |

The number of students with two or more early warning indicators:

| Indicator | Grade Level | | | | | | | | | | | | | Total |
|--------------------------------------|-------------|----|---|---|----|----|---|---|---|---|----|----|----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | |
| Students with two or more indicators | 0 | 12 | 7 | 3 | 11 | 11 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 44 |

The number of students identified as retainees:

| Indicator | Grade Level | | | | | | | | | | | | | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|---|----|----|----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | |
| Retained Students: Current Year | 0 | 4 | 6 | 4 | 7 | 6 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 27 |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 |

FTE units allocated to school (total number of teacher units)

35

Date this data was collected or last updated

Monday 7/22/2019

Prior Year - As Reported

The number of students by grade level that exhibit each early warning indicator:

| Indicator | Grade Level | Total |
|---------------------------------|-------------|-------|
| Attendance below 90 percent | | |
| One or more suspensions | | |
| Course failure in ELA or Math | | |
| Level 1 on statewide assessment | | |

The number of students with two or more early warning indicators:

| Indicator | Grade Level | Total |

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

ELA data for grades 3-5 was the area of lowest performance. The learning gains for all students and the bottom quartile were also a concern.

SWD performed lower than non-SWDs. These students are not on grade level in reading and therefore struggle to show proficiency in this tested area. They make up a large portion of our bottom quartile and struggle to make learning gains.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

According to our raw data, 4th grade math achievement decreased. Inconsistent curriculum implementation and lack of rigorous practice contributed to the decline.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Our data does not reflect a gap when compared to the state.

Which data component showed the most improvement? What new actions did your school take in this area?

SWD math learning gains showed the greatest improvement. One group of ESE inclusion students was split into two small groups, decreasing the student to teacher ratio. After school math tutoring was provided to bottom quartile students. Accommodations were provided to students according to need as documented on IEPs.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern? (see Guidance tab for additional information)

Attendance below 90% is a concern. Students in 4th grade (going to 5th) that were flagged by the EWS performed lower on the FSA Math test. This is potentially a contributing factor to our lower achievement levels at this grade level.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Increase student achievement in ELA.
2. Increase student achievement in Math.
3. Increase learning gains for our bottom quartile.
4. Increase learning gains for our level 4's and 5's.
5. Improve attendance

Part III: Planning for Improvement

Areas of Focus:

| | |
|--|--|
| #1 | |
| Title | Increase attendance |
| Rationale | Research shows that when students do not attend school, they do not succeed. |
| State the measureable outcome the school plans to achieve | Decrease the number of students with 20 or more absences. |
| Person responsible for monitoring outcome | Becky Smith (smithb@citruschools.org) |
| Evidence-based Strategy | Be proactive in monitoring student attendance. |
| Rationale for Evidence-based Strategy | By taking a proactive approach, we hope to be able to stop attendance issues before they arise. |
| Action Step | |
| Description | <ol style="list-style-type: none"> 1. Home visit door hangers 2. Teachers call home for students absent 3 days in a row 3. Provide parents with attendance information and resources at CST meetings 4. Implement 4th/5th grade responsibility/incentive program 5. Attendance celebrations |
| Person Responsible | Becky Smith (smithb@citruschools.org) |
| #2 | |
| Title | Increase ELA Student Achievement |
| Rationale | According to our FSA data, our ELA student achievement was our lowest area. |
| State the measureable outcome the school plans to achieve | We will increase our ELA achievement from 60% to 63%, as measured by FSA ELA. |
| Person responsible for monitoring outcome | Mollie Chandler (chandlerm@citruschools.org) |
| Evidence-based Strategy | Implement standards based instruction |
| Rationale for Evidence-based Strategy | According to the data, students that were provided rigorous standards-based instruction performed higher on the FSA than those whose instruction was inconsistently based on the standards. In order to better prepare our students for a standards based assessment, we need to ensure we are providing standards based instruction. |
| Action Step | |
| Description | <ol style="list-style-type: none"> 1. Implement Ready LAFS curriculum resource 2. Implement iReady 3. Implement lesson frames/learning targets for each ELA lesson 4. Provide instructional coach 5. Monitor student progress weekly |
| Person Responsible | Mollie Chandler (chandlerm@citruschools.org) |

| | |
|--|---|
| #3 | |
| Title | Increase Math Student Achievement |
| Rationale | According to our FSA data, our math student achievement was one of our lowest areas. |
| State the measureable outcome the school plans to achieve | We will increase student achievement in math from 62 to 68% |
| Person responsible for monitoring outcome | [no one identified] |
| Evidence-based Strategy | Implement standards based instruction |
| Rationale for Evidence-based Strategy | According to the data, students that were provided rigorous standards-based instruction performed higher on the FSA than those whose instruction was inconsistently based on the standards. In order to better prepare our students for a standards based assessment, we need to ensure we are providing standards based instruction. |
| Action Step | |
| Description | <ol style="list-style-type: none"> 1. Implement Ready MAFS curriculum resource 2. Implement iReady 3. Implement lesson frames/learning targets for each math lesson 4. Provide instructional coach 5. Monitor student progress weekly |
| Person Responsible | Kay Harper (harperk@citruschools.org) |

| #4 | |
| Title | Increase ELA/Math Learning Gains |
| Rationale | We would like to increase ELA/Math learning gains to surpass the state learning gains target. |
| State the measureable outcome the school plans to achieve | ELA- Learning gains from 59% or higher for overall and bottom quartile. Math- Learning gains will be at a 64% or higher overall and 67% or higher for our bottom quartile. |
| Person responsible for monitoring outcome | [no one identified] |
| Evidence-based Strategy | Implement standards based instruction and data monitoring. |
| Rationale for Evidence-based Strategy | According to the data, students that were provided rigorous standards-based instruction performed higher on the FSA than those whose instruction was inconsistently based on the standards. In order to better prepare our students for a standards based assessment, we need to ensure we are providing standards based instruction. |

| Description | <ol style="list-style-type: none"> 1. Implement Ready MAFS curriculum resource 2. Implement iReady 3. Implement lesson frames/learning targets for each math lesson 4. Provide instructional coach 5. Provide mentors to level 4/5 students to monitor student data |
| Person Responsible | [no one identified] |

Additional Schoolwide Improvement Priorities (optional)

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities (see the Guidance tab for more information).

Discipline- We will continue "Check in Check Out" initiative and utilize the Behavior TOSA to decrease the amount of time students are out of the classroom and the amount of instructional interruptions due to misbehavior.
 Safety- Continue to practice ALICE, fire, tornado, and lock-down drills.
 Social/Emotional- Continue Sanford Harmony as Tier 1 Mental Wellness Curriculum. Teachers will continue to meet students at the door.

Part IV: Title I Requirements

Additional Title I Requirements
 This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Schoolwide Improvement Plan to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students.

Inverness Primary School strives to build and maintain positive relationships. PTA provides opportunities for families to participate in after school events. Title I funds enable the school to host events for families as well. These events include but are not limited to: movie nights, school dances, Donuts with Dad, Muffins with Mom, fall festivals, cookies with Santa, and other informational nights. Teachers meet with parents regularly throughout the year to discuss student progress.

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.

Inverness Primary School follows the Behavioral Health Referral Process specified by the district. Students and staff are able to make referrals. They meet with staff members who determine if services are needed. A PST meeting is scheduled to develop a plan to provide needed services, including counseling/mentoring.

Students with a high number of discipline referrals are provided a mentor to check in and check out with each day. Students receiving more than 3 discipline referrals are provided a Behavior Progress Monitoring Plan. Teachers work with the Student Services TOSA, Guidance Counselor, and Social Worker to implement interventions.

Teachers provide character education lessons using the Sanford Harmony curriculum. They guide their students through morning "Meet Ups" and "Buddy Ups" daily.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another.

Students transitioning to 6th grade visit the middle school. They tour the facilities, meet the teachers and staff, and discuss differences between elementary and middle school.

Pre-K and Kindergarten students participate in stagger start, decreasing the student to teacher ratio. This enables the teachers to introduce school procedures to their students.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact.

Administration reviews teacher lesson plans to ensure standards based instructional resources are implemented. This year iReady will be implemented with Ready resources to ensure the standards are going to be covered. Title I funds will be used to purchase these materials.

Weekly meetings between teachers and the instructional coach will be scheduled to review and monitor student progress and success according to iReady and classroom/district assessments.

"Monthly Opportunity Checks" will be scheduled for administration and teachers to meet and discuss student data.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.

Teachers include career days throughout the year to provide opportunities for students to learn about career possibilities around the community.

Fifth grade students are eligible for a "Steps to CF" scholarship. Students that receive this scholarship are provided funds towards classes at Central Florida College.

Fifth grade students participate in a field trip to Duke Energy. They learn about careers and opportunities available at the plant in Crystal River.
