Grade	A	A	A	A

### School Board Approval

This plan is pending approval by the Indian River County School Board.

### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridaCIMS.org>.

<b>Appendix 2: Professional Development and Technical Assistance Outlines</b>	<b>42</b>
Professional Development Opportunities	43
Technical Assistance Items	0
<b>Appendix 3: Budget to Support Goals</b>	<b>48</b>

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

### DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
  - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
  - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
  - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
  - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

## Part I: Current School Status

### Supportive Environment

#### School Mission and Vision

##### Provide the school's mission statement

The mission of Rosewood Magnet School, a Core Knowledge School, is to educate every student by involving parents, staff, and the community in a caring environment where academic excellence leads to responsible, productive citizens.

##### Provide the school's vision statement

The vision statement of Rosewood Magnet School is "A+...rich tradition and ...a bright future". It is a succinct statement that embraces the mission of our school to educate every student where academic excellence leads to responsible, productive citizens. Our vision statement is mounted on the entrance to our school to remind us that academic excellence for our students is a result of eager to learn students, a challenging educational curriculum, dedicated teachers and staff, involved parents and community support. It embraces all we do. Believing and achieving excellence is the foundation of what our school is built upon. Through our "rich tradition" of excellence, we make a difference in each student's life and "brighten their futures" for a better tomorrow.

#### School Environment

##### Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Everything we do at Rosewood Magnet School is focused on providing our students with an excellent education in a nurturing environment. We achieve these goals through our integrated Core Knowledge curriculum, behavioral and uniform dress code and active parent involvement. Our Core Knowledge curriculum focuses the content of the information being taught to students. It is intended to promote equity in education by building a common base of knowledge for all students in the early years of school. It is a rigorous curriculum that teaches students about a specific subject matter through integrated lessons in language arts, history, geography, visual arts, music, mathematics and science. Our teachers plan instructional lessons that support the teaching of the Florida Standards preparing them for the next level of their education when they leave our school. Teachers and staff are integrating community building activities they have learned through professional development provided by the Indian River Fellowship for Instructional Leaders (IRFIL) and Learning Alliance Moonshot Academy school initiatives. Our strong home school connection fosters the relationships between teachers/staff and families. Our volunteer commitment, active PTA and School Advisory Council (SAC) provide opportunities for our parents to be involved in the school improvement process.

##### Describe how the school creates an environment where students feel safe and respected before, during and after school

At Rosewood, the home school connection is the key to providing a safe and nurturing place for students to learn. Parent and our community/business organizations are encouraged to be involved in all aspects of our school through volunteering. Parents trust their children are being cared for and supervised at all times. Parent involvement helps create an environment where students feel safe and respected throughout their instructional day.

Student and staff safety is a top priority. Access to our school is highly monitored and all visitors, including parents are required to sign in and out of the front office when visiting campus. All students arriving late or leaving early are also required to check in or out through the front office. All staff

where an identification badge.

There is a before and after school program to ensure students are cared and supervised before and after their instructional day. We provide extracurricular programs such as a Mileage Club, Girls on the Run, the BOKs fitness program, safety patrol, chorus, student council, student ambassadors, track and field team, academic games, and many others that help students build self esteem, confidence and focus on academic success as well as their health and wellness. After school programs such as SNAG golf and the Mardy Fish After School tennis programs are also offered to help develop well rounded learners.

All teachers and staff participate in numerous safety training sessions throughout the year on bullying, child abuse, sexual harassment, medication training, ethics, and others which helps to foster our safe, nurturing environment.

All staff are trained and knowledgeable of our school wide emergency management plan. The school wide emergency management plan is in place and available to all staff to ensure that in a crisis or emergency situation all stakeholders know their responsibilities and can act in the best interest of all involved. Our school has a positive working relationship with our city police department in which they provide an on campus officer during morning and afternoon drop off and pick up. This allows the officer to be familiar with our students, staff and families and become an integral part of our Rosewood family. Our fifth grade students participate in the D.A.R.E. program provided in collaboration with the Indian River County School District and Vero Beach Police Department.

**Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced**

Rosewood Magnet School's code of conduct is based on 3 R's...being respectful, responsible and ready to learn. There are 3 basic school rules: Respect people and their property; Keep your hands, feet and objects to yourself and always walk. These are based on keeping students safe. Our school wide behavioral system is based on a social skills training program called "Stop and Think". It is based on the premise of making good or bad choices. Students are taught problem solving strategies to help them solve issues when they perhaps have made a bad choice. We involve peer mediation and conflict resolution strategies. A Positive Paw program is in place for staff to recognize good behavior and good choices when they see students or classes making positive choices. A staff members give the teacher a "paw" sticker that rewards points for their class. These paws are displayed in the classroom. There are incentives for earning a set number of paw sticker points throughout the year.

Rosewood Magnet School emphasizes the pillars of the Character Counts program and words of the month on our daily announcements. At the end of the month, students are selected by their teacher to receive a Good Citizens award based on the monthly character trait. They are also recognized monthly for perfect attendance. Progress in math is also recognized through a monthly Math Superstars award given to students who show significant progress in Mathematics.

Each classroom has routines and class rules that set high expectations and keep students engaged in their learning with minimal disruptions. Teachers use a color coded chart where students can move their clips up or down depending on the choices they make during the day. Notes are sent home to parents in student agendas about their daily behavior to keep parents well informed on how their child is performing at school. School wide behavioral expectations are defined for all areas of the school such as cafeteria, structured activity time (playground rule and recess) and field trips.

**Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services**

Our teachers and support staff work together to ensure the social and emotional needs of all students are met. Our Student Support Specialist is readily available to counsel and mentor individuals or small groups of students. Teachers use many of the Whole Brain strategies and P.I.E. strategies that

teaches students to be physically, intellectually and emotionally safe. There is a school psychologist available to our teachers, students and our families. Lists of outside community resources are available as suggestions to parents who may need assistance outside of the school through our Student Support Specialist.

Rosewood Magnet works with outside agencies such as High Hopes, CASTLE, Whole Child and Connected for Kids to provide assistance, support or information on resources available to parents with students who are in need of social and emotional support.

Our school is fortunate to have a strong group of seasoned volunteers who work daily in our classrooms to support learning, academic progress and offer a means for students to share events and happenings in their lives. These relationships form connections to students who are in need of a lending ear.

Our safety patrols are viewed as role models in our school and encouraged to model safe, positive behavior throughout the school.

## Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

**Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress**

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

### Will the school use its PIP to satisfy this question?

No

#### **PIP Link**

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

#### **Description**

Rosewood Magnet School prides itself on providing an inviting and welcoming atmosphere to all our families and community guests. Our PTA is a very productive organization at our school whose goal is to provide opportunities for parents to meet and build new relationships with other school families. This is accomplished through many PTA sponsored events such as Fall Family Fun Day, Family Movie Nights, Family Skate Nights, Family Dinner Nights at local school business partners such as Stevie B's, Chic-fil-a or Chili's. PTA provides a Just Between Friends email link to keep parents informed of the upcoming events as well as a link on our school web page. All event themes center around what students are learning in the classroom or reflect our vision statement by sponsoring traditional events such as our annual holiday courtyard celebration, floats in community parades or school participation in community events with the Learning Alliance, American Heart Association, American Cancer Society and the March of Dimes. Our School Advisory Council (SAC) serves a different purpose by serving as a recommending board to the principal on school improvement ideas. The school opens its doors to the many volunteers who provide approximately 10,000 hours of volunteer time each year to our school. Other ways in which we build positive relationships with our families and communicate our mission and vision are listed below.

\*100% of the parents will meet the magnet school requirement of 10 hours of volunteer time per family by the end of the school year.

\*PTA membership for 2014-15 school year will increase by 2% from the previous year's total.

\*PTA distributes a monthly newsletter with pertinent information for parents that relate to school and community events. They use social media such as an online link "Just Between Friends" and Facebook to keep parents informed.

\*PTA has a link on our school webpage that provides parents with additional information about what PTA is, how parents can join, and special events.

\*PTA coordinates the following programs to help supplement school improvement initiatives and

specific areas of need, i.e. recess equipment, school supplies: Box Tops in Education, Campbell Soup labels, Coke Rewards

\*PTA supports school/business partnerships to enhance/expand our school community: Family Business nights, i.e. Stevie B's Family Pizza Night, Chic-fil-A, family nights, Family Skatenights

\*Scheduled School Orientation and Open House events in August/September provide information on curriculum, grading policies and procedures, classroom management plans, grade level syllabi, school policies and procedures to our school families

\*Curriculum Nights in reading, math and science for various grade levels throughout the school year

\*Increase the number of parents serving on our SAC by 1% from the previous year's total

\*Collaborate with the school PTA to provide family events at the school throughout the year to allow families to get to know each other and promote family involvement. Ex. Family Fall Fun Festival, Family Movie Night, Family Health Fair

\*Continue our All Pro Dads and I Moms programs to involve dads/ moms, grandfathers/ grandmothers and other family members in their child's education

\*Teachers will view the Working with Parents Professional Development located on our district website. Teachers will utilize our school based trainer for helpful hints on how to work collaboratively with parents.

\*Parent/Teacher Conferences are held twice a year or as needed to keep parents informed of their child's progress at school.

**Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement**

In collaboration with the Learning Alliance and the Moonshot Moment Goal for our school, our school was selected as a pilot school for an on campus after school program that features a strong academic component combined with fun and engaging enrichment activities for students in the primary grades. The program's mission is to accelerate and support students to help close the achievement gap and be on grade level by third grade. By working closely with the Learning Alliance, the program will also provide an opportunity for our teachers to deepen their knowledge and skills through after school accelerated professional development facilitated by our school literacy coach and the Learning Alliance Master Coach trainer. The focus of the training is on the components of a balanced literacy program in reading, language arts and writing.

Rosewood Magnet School has been selected as one of the first locations in Indian River County for the Vero Beach Museum of Art Moonshot Masterpiece program. This project will bring reproductions of artwork from the Museum's permanent collection into the community for all to enjoy. The focus in the program is to find ways to bring integrate arts into the literacy efforts of the Moonshot Moment goal to increase literacy in our community and our school. The first piece of artwork that will be displayed at our school is the "Giant Sequoia" by artist photographer James Balog. It is a digital multiple exposure photograph. Students and parents will be able to interact with the artwork as it is on display.

Our school works in conjunction with the community's Education Foundation supporting its events and participating in the Sneaker Exchange Program and School Backpacks program each year.

Our fourth grade participate in the Justice Teaching program which is an innovative approach to civic education. It is a volunteer-based initiative founded with the intent to enhance civic education through interactive exercises. It provides a trained attorney or judge volunteer who visits our school and utilizes lesson plans which focus on civic education and the U.S. Constitution. Judges and lawyers are trained to use the approved lesson plans and curriculum that provide students with a meaningful opportunity to learn more about government institutions, how they interact and how they impact our daily life.

Our school actively participates with community service projects that support different causes such as the American Heart Associations, Jump Rope for Heart program; American Cancer Society's Relay for Life event; The March of Dimes Walk-a thon; Runner's Depot Rosewood 5K Citrus Run which supported our school's Mileage Club; A 5K Run that supported raising funds for one of our student's who is in need of a heart transplant; and many health, wellness and fitness organizations and businesses that are

vendors at our PTA's annual Health and Wellness Fair. PTA sponsors a float in the City Holiday Parade and Martin Luther King parade each year. One Blood Mobile sponsored a blood drive for a student at our school needing a heart transplant. The student council supported the Blood Drive by selling pink and red ribbons with a heart attached in support of Breast Cancer Month and the American Heart Association. The Audubon Society sponsors the Square Foot Garden project at our school. Representatives work with our ESE teachers and students along with a third and fifth grade teacher and students to maintain vegetable and flower gardens at our school. A community volunteer helps to keep our gardens healthy and assists the students in making nutritious treats from the garden.

School businesses and organizations provide support to our school through our Target Guest Readers program, Leglers Orthodontics dental program, Riverside Children's Theatre productions, Dermody Visor program and High School Juniorette Volunteer program. Local community members help judge our 4 H Tropicana Speech Contest, Scripps Spelling Bee and School Science Fair. Vero Beach Police Department sponsors the D.A.R.E program for all fifth grade students. Reebok and the Reebok Foundation provided a \$1000 grant to sponsor the BOKS program at our school. The Mardy Fish Foundation funded the BOKS kits for our school's program. The local chapter of the Elks Lodge provides support for the fifth grade Sea Camp Spaghetti Dinner Fundraiser. The Elks Lodge also donates dictionary thesaurus books for all third grade students. The local Professional Golf Association offers an after school golf program (SNAG Golf) for students. The Mardy Fish Foundation offers an after school tennis program.

Our school provides a before and after school program for our students and their families. Local businesses and organizations provide special performances and activities during the year for the students involved in the program. Examples are Riverside Children's Theatre and Tae Kwondo.

**Effective Leadership**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

**School Leadership Team**

**Membership**

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Dillon, Deborah	Principal
Norris, Jennifer	Assistant Principal
Ross, Lisa	Instructional Coach

**Duties**

***Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making***

Principal - serves as instructional leader; oversees the completion of the CIMS plan and works closely with the School Advisory Council on school improvement issues

Resource Specialist- Facilitator of MTSS, paperwork compliance

Student Support Specialist- Schedules MTSS meetings, behavior observations and facilitates behavior interventions

Assistant Principal- paperwork compliance, initial Gifted screenings, begins referral process with teachers, data gatherer and collaborates with our leadership team and teachers in the completion of the CIMS plan

Literacy Coach- facilitates reading interventions, Reading, Language Arts and Writing goals for the CIMS plan

School Psychologist- further evaluations, facilitates interventions

**Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact**

At Rosewood Magnet School, the MTSS team meets weekly to discuss data and works together as a team to meet the needs of the students. The team identifies both strengths and areas of concern, and then formulates goals to address these areas. The team uses a problem solving approach to interventions. The data is reviewed to address changes in all three Tiers of instruction. The team also meets with individual teachers and/or grade level small groups as needed to add additional support and assistance.

The school leadership team identifies and aligns all available resources to meet the needs our students and maximize desired student outcomes. This is accomplished through our leadership team meetings with grade level chairpersons, data meetings, MTSS meetings, inservice trainings and online resources. We work closely with community and business organizations who help support our school. They allow us an opportunity to offer extracurricular activities to our students before and after school. The use of donations and grant monies helps supports some of these programs. Activities are offered to meet the needs of students ranging from at risk to gifted. The frequency of the meetings depends on the groups and their goals that support school improvement.

### **School Advisory Council (SAC)**

#### **Membership**

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Deborah Dillon	Principal
Kelli Beal	Parent
Mary Blumstein	Parent
Cynthia Chisholm	Parent
Randy Heimler	Parent
Jeb Hudson	Business/Community
Tony Iacono	Parent
Amy Kelly	Parent
Lesley Kelso	Parent
Thomas Kiernan	Parent
Nicole Perez	Parent
Elaine Ragley	Parent
Bonnie Reamy	Parent
Lenora Ritchie	Parent
Angelena Vitter	Parent
Erica Wilson	Parent
Carla Bowles	Parent
Carol Burns	Education Support Employee
Julie Carroll	Teacher
Jack Childs	Teacher
Rickey Smith	Education Support Employee
Debbie Hines	Parent

### Duties

***Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes***

*Evaluation of last year's school improvement plan*

The Principal and Assistant Principal provide a final presentation at end of the year to our SAC to review the progress on the school improvement goals. We provide supporting data to show where goals have been met or exceeded as well as those goals that progress fell short. We discuss possible reasons for the limited or lack of progress and discuss strategies or interventions on how we can meet the goals in the future. The FCAT and School grade data is reviewed as well with the purpose of making our parents informed parents who can share information on our school's progress with other parents and members of the community.

*Development of this school improvement plan*

Members will contribute ideas and strategies as well as approve the plan at a SAC meeting. This year the State has provided SAC funds for school improvement. The SAC membership will need to discuss and vote on proposals for how the SAC funds will be expended during the year. SAC will review, revise or rewrite the climate surveys for parents, teachers, support staff and students K-5. Membership will also review the results of the Superintendent's climate surveys and compare the results of the surveys. Areas of strengths and improvement will be discussed and discussions will be

held on ways to improve our school. Topics of Legislative interest and educational topics will be points of discussion as they relate to our school improvement goals.

*Preparation of the school's annual budget and plan*

The Principal, Assistant Principal and Administrative Assistant to the Principal will present the school budget for review as well as the SAC budget to the membership. Questions on the school budget will be addressed to keep parents informed of how the budget is created, where monies are allocated and why.

Proposals will be submitted to the SAC from our school staff on how the SAC funds can best service our students and school. The SAC membership will vote on the proposal that will best meet the needs of our school and help us achieve our goals in raising student achievement.

***Describe the use of school improvement funds allocated last year, including the amount budgeted for each project***

The remaining roll forward funds from last year's SAC budget were used for summer vertical planning for all teachers. Teachers planned collaboratively on Core Knowledge Units of Study, our school writing plan, literacy plan and technology plans.

This year's remaining roll forward SAC funds will be combined with the SAC allocation given to the school's this year. It will be used again for professional development opportunities for our teachers or as a funding source for increasing student achievement.

***Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC***

No

*If the school is not in compliance, describe the measures being implemented to meet SAC requirements*

Our SAC membership does not comply with the Florida Statute in regards to two of our ethnic demographic groups. Our principal and leadership team will make every effort to reach out to parents of these groups to become a member of our School Advisory Council.

**Literacy Leadership Team (LLT)**

**Membership**

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Dillon, Deborah	Principal
Norris, Jennifer	Assistant Principal
Ross, Lisa	Instructional Coach

**Duties**

***Describe how the LLT promotes literacy within the school***

The LLT will focus on continuing PD in reading comprehension and re-writing our school literacy plan and school wide writing plan.

The Literacy Leadership team members will work closely with the District Foundations coach as well as our school based literacy coach to provide meaningful training and feedback to our Kindergarten, First and Second grade teachers who are implementing the Foundations program this year to ensure fidelity of the implementation of strategies and instructional practices.

The LLT has worked closely with the Master Coach Trainer from the Learning Alliance to develop an

accelerated professional development program for teachers that is designed to enhance the delivery of instruction to all students and provide more rigorous Tier 1 instruction in an effort to increase student achievement at all levels.

The Literacy Coach is providing support by coaching teachers who are implementing the strategies from the last year's book read, "Strategies that Work" and provides feedback to support their implementation of the strategies.

## Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

### **Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction**

### **Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school**

1. The principal, assistant principal and leadership team seek out highly qualified teachers via an interview process. Questions will be designed to target specific examples of how the teacher candidate has implemented and/or demonstrated effective instructional strategies and best practices based on the Marzano Model for Effective Teaching and the implementation of the Florida State Standards.  
Persons Responsible: Principal, Assistant Principal, and Interview Team Members
2. Grade level leadership chairs will meet on an as needed basis with new personnel working with their grade level.  
Persons Responsible: Approved Grade Level Chairpersons
3. All new teachers to our school will be assigned a peer teacher and mentor from our leadership team.  
Persons Responsible: Teachers trained in Clinical Educator Training and approved peer teachers; the Principal, Assistant Principal; Literacy Coach; and Student Support Specialist are used as mentors to our new teachers.
4. Support a learning environment that provides opportunities for Professional Learning Communities, collegiality and collaboration among teachers and the administrative leadership team via PLC's, PD 360 Edvation on line training, cPalms on line access, book reads, and school based training opportunities using train the trainers in Marzano, FASTe Observer Florida State Standards, Learning Focused Lessons, QAR; STEM and Inquiry Based Learning. Collaborative Teaching, CANVAS, FOCUS, eSembler, and PM2.  
Persons Responsible: Principal, Assistant Principal; Literacy Coach, Gradelevel Chairpersons, Math, Science and Professional Development School Based Coordinators, District Based Literacy, Math and Science Coordinators, District Foundations Coach; Learning Alliance Training Opportunities, District professional development opportunities

### **Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities**

1. All Kindergarten, First and Second Grade teachers were trained in the Foundations program as it is a newly implemented program. District and school based personnel train and model lessons and provide feedback to ensure fidelity of implementation and effective delivery of instructional strategies associated with the program.  
Persons Responsible: District Foundations Trainer assigned to our school and our School Based Literacy Coach
2. Teacher Leaders will offer professional learning communities in the following topics: Strategies That Work; Inquiry Based Learning; Correlation between Marzano and standards based instruction using LAFS and MAFS; Foundations;  
Persons Responsible: Assistant Principal, Literacy Coach, a third and fourth grade teacher, VE/LD Resource Teacher

3. Principal will mentor teachers interested in participating in the IRPLAN (LEADS) administrative training program and ICE (Institute for Coaching Excellence) programs for aspiring lead teachers who are interested in administrative or supervisory positions.

Person Responsible: Principal and Assistant Principal

## Ambitious Instruction and Learning

### Instructional Programs and Strategies

#### Instructional Strategies

**Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments**

**Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:**

**Strategy:** After School Program

**Minutes added to school year:** 1,140

Linguistics, Equations, Presidents/Current Events, Mighty Mu Math. The teams meet twice a week for practice for one hour until the competitions and then attend three competitions after school for each section of the academic games competition.

#### **Strategy Rationale**

The Academic Games and Mighty Mu Math program are facilitated by our school based math coordinator and media special. They target the academic content areas of math, language arts (grammar) and social studies/ current events. It provides enrichment in the content areas but providing friendly, mild competitions at a higher level of learning which according to Marzano has a positive influence on learning. The use of games that focus on academic content increases student engagement and achievement.

#### **Strategy Purpose(s)**

- Enrichment

#### **Person(s) responsible for monitoring implementation of the strategy**

Dillon, Deborah, [deborah.dillon@indianriverschools.org](mailto:deborah.dillon@indianriverschools.org)

#### **Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Team and individual rankings, awards

**Strategy:** After School Program

**Minutes added to school year:** 630

Mardy Fish Tennis Program

**Strategy Rationale**

The Mardy Fish Tennis program builds students athletic skills and provides them an opportunity to learn the rules of the game, how to play tennis, keep score, court etiquette and builds fitness and strategies for friendly competition. Twenty students are participating in the program

**Strategy Purpose(s)**

- Enrichment

**Person(s) responsible for monitoring implementation of the strategy**

Dillon, Deborah, [deborah.dillon@indianriverschools.org](mailto:deborah.dillon@indianriverschools.org)

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Feedback from the Mardy Fish Coaches on the progress of the students. Game competition results.

**Strategy:** Before School Program

**Minutes added to school year:** 1,440

Our Panther Performers school chorus is comprised of up to 80 students in grades 4 and 5. The students learn to work as a choral group and how to perform on stage in front of audiences. The chorus performs at school and community functions throughout the school year. The chorus meets twice a week for practice before school for 45 minutes for eight months. They also perform after school for community events.

**Strategy Rationale**

Students learn how to perform together as a group as well as learning different kinds of music, the history behind the music or song, the meaning of the song and learn about the musicians who sing the songs.

**Strategy Purpose(s)**

- Enrichment

**Person(s) responsible for monitoring implementation of the strategy**

Dillon, Deborah, [deborah.dillon@indianriverschools.org](mailto:deborah.dillon@indianriverschools.org)

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Number of members in the chorus, Feedback on their school and community performances. The number of performances they perform in.

**Strategy:** Before School Program

**Minutes added to school year:** 960

Forty one students in grades K-5 participate in an after school BOKS program. BOKS stands for Building Our Kids Success. The school's art teacher and a fourth grade teacher attended the train the trainers workshop and now facilitate the program at our school. The students meet twice a week on before school for 40 minutes for their lessons.

***Strategy Rationale***

The BOKS program is supported by research that shows that students who exercise see significant boosts in student achievement at school. The program starts with a warm up activity as students check in and then a brief review of the learning goal for the day which focuses on the skill for the week. Running is an essential part of every class. The students practice an essential skill such as push-ups, sit-ups, squats, etc. The class ends with a teamwork activity and playful game. Cool down involves a time for students to discuss the nutrition of the week. This is a great way to get the students energized for learning and to have a successful day at school. It also improves students attendance as they don't want to miss the fun activities planned to start their day.

***Strategy Purpose(s)***

- Enrichment

***Person(s) responsible for monitoring implementation of the strategy***

Dillon, Deborah, [deborah.dillon@indianriverschools.org](mailto:deborah.dillon@indianriverschools.org)

***Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy***

Number of students who complete the program from start to finish. Facilitator observation. Students comments about the program.

**Strategy: After School Program**

**Minutes added to school year: 2,160**

The Girls on the Run Program provides a life changing experience for all girls in grades three to five. It is an after school program that combines running and training for a 5K race with life lessons that encourage healthy habits, self esteem, positive thinking and an active lifestyle. It is a 12 week program in which students participate in workouts and team activities that build self esteem, character and positive lifestyles. The program is twice a week on Tuesday and Thursday for 1.5 hours each day. Two Rosewood teachers coordinate the program.

***Strategy Rationale***

Girls on the Run gives the students an opportunity to evaluate consequences of right and wrong choices, how to respect their bodies, like who you are, manage peer pressure, listen, cooperate and work as a team, eat nutritiously, understand media influences, and learn how to exercise to keep healthy.

***Strategy Purpose(s)***

- Enrichment

***Person(s) responsible for monitoring implementation of the strategy***

Dillon, Deborah, [deborah.dillon@indianriverschools.org](mailto:deborah.dillon@indianriverschools.org)

***Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy***

The coordinators of the program will be keeping data on the number of laps along with completion times for the laps in preparation for the final 5K run. Final data will be the time each student completes the 5K run in.

**Strategy:** Extended School Day

**Minutes added to school year:** 1,890

The Moonshot Academy After School tutoring program is for second and third grades. It is held three days a week for 2 hours each day for seven weeks. The program is offered to second and third grade students.

**Strategy Rationale**

The after school tutoring program provides additional support to students in reading comprehension skills. It also provides energizing enrichment activities that target health and wellness.

**Strategy Purpose(s)**

- Core Academic Instruction

**Person(s) responsible for monitoring implementation of the strategy**

Ross, Lisa, lisa.ross@indianriverschools.org

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

The data that will be used to analyze the effectiveness of the program will be an increase in student achievement as seen on a variety of reading assessments.

**Strategy:** After School Program

**Minutes added to school year:** 700

Sunshine State Readers and Battle of the Books after school programs give the students and opportunity to read 15 of the Sunshine State Reader identified books. The students meet before school and during their lunch times to discuss the books. The students then compete in the Battle of the Books against other schools in May. The program runs from March through May.

**Strategy Rationale**

This team competition is facilitated by our media specialist. The students are exposed to good literature and have to focus on details of the book and well as a strong understanding of what the book is about in order to compete and be successful. The mild competition increases students engagement and achievement.

**Strategy Purpose(s)**

- Enrichment

**Person(s) responsible for monitoring implementation of the strategy**

Dillon, Deborah, deborah.dillon@indianriverschools.org

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Team rankings among other schools & awards

**Strategy: After School Program**

**Minutes added to school year: 6,000**

Moonshot Academy Accelerated Professional Development for Teachers. Teachers met 3 times a week for four weeks two hours a day twice during the year (once each semester) for inservice training on the components of the performance cycle. They participated in a book read titled "Reason to Read" and learned how to use the strategies in their classroom instruction.

**Strategy Rationale**

The teachers that would provide the after school tutoring went through an intensive accelerated professional development training after school on the components of the Performance Cycle for the purpose of implementing the strategies they learned in the after school tutoring program.

**Strategy Purpose(s)**

- Core Academic Instruction
- Teacher collaboration, planning and professional development

**Person(s) responsible for monitoring implementation of the strategy**

Ross, Lisa, lisa.ross@indianriverschools.org

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Literacy Coach feedback and observations of the correct use of the strategies learned. Data from student assessments through teacher observation. Surveys. Reflection slips.

**Student Transition and Readiness**

**PreK-12 Transition**

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another**

Our Kindergarten teachers host a Kindergarten Round Up Night in the spring for parents and children of incoming Kindergarteners. Strategies for helping to make a seamless transition, curricula highlights and general schedules are shared. The night culminates with classroom tours.

The Kindergarten teachers host a Kindergarten Curriculum night in the Fall for families to learn about all the curricula that is used and how best to support their children.

Staggered start for all new Kindergarten students

Annual Boo Hoo Welcome Breakfast sponsored by the PTA for all new Kindergarten parents.

A welcome letter is sent to all new Kindergarteners from their teacher in July with information about the first day of school.

Classroom newsletters and school/classroom websites to support the home-school connection.

**College and Career Readiness**

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations**

**Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs**

**Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement**

**Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes**

## School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

### Problem Solving Key

**G** = Goal

**B** =  
Barrier

**S** = Strategy

**1** = Problem Solving Step    **S123456** = Quick Key

## Strategic Goals Summary

- G1.** Based on data from the 2013-14 school year, Rosewood Magnet School will provide rigorous, standards based instruction in mathematics.
- G2.** Based on 2014 Rosewood Magnet School FCAT writing scores and the implementation of the new ELA Florida Standards Assessment, Rosewood Magnet will focus on implementing rigorous, standards based writing across content areas.
- G3.** Based on data from the 2013-14 school year, Rosewood Magnet School will focus on implementing a sustainable, engaging, balanced literacy program to increase student achievement in reading.

## Strategic Goals Detail

*For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal*

**G1.** Based on data from the 2013-14 school year, Rosewood Magnet School will provide rigorous, standards based instruction in mathematics. 1a

G051667

**Targets Supported** 1b

Indicator	Annual Target
AMO Math - All Students	79.0
AMO Math - African American	65.0
AMO Math - ED	69.0
AMO Math - Hispanic	70.0
AMO Math - SWD	62.0
AMO Math - White	85.0
FAA Mathematics Proficiency	

**Resources Available to Support the Goal** 2

- Highly qualified and dedicated teachers; School Based Math Coordinator Supportive Leadership Team District Math Coach

**Targeted Barriers to Achieving the Goal** 3

- Teacher understanding of the new Florida Standards in Mathematics and an understanding of how to implement a standards based instructional framework for mathematics.

**Plan to Monitor Progress Toward G1.** 8

In collaboration with the leadership team, teachers will analyze their district math benchmark data for progress toward standards proficiency and adjust instruction accordingly.

**Person Responsible**

Jennifer Norris

**Schedule**

**Evidence of Completion**

data monitoring protocols and data monitoring reflections

**G2.** Based on 2014 Rosewood Magnet School FCAT writing scores and the implementation of the new ELA Florida Standards Assessment, Rosewood Magnet will focus on implementing rigorous, standards based writing across content areas. **1a**

G051533

**Targets Supported** **1b**

Indicator	Annual Target
FSA - English Language Arts - Proficiency Rate	68.0

**Resources Available to Support the Goal** **2**

- Highly Qualified and dedicated teachers; Literacy Coach; Supportive Leadership Team; The Learning Alliance; FSA test item specs; Final FSA text based writing rubrics; 4 copies of Writing Strategies for Science; Writing Matters in Every Classroom; Visible Learning for Teachers- Maximizing Impact for Teachers; Kindergarten and First Grade teachers trained in Lucy Calkins Units of Study; Edviation; The Teaching Channel; ICPalms; Web Based Resources; Balanced Literacy Framework; Rigorous Core Knowledge Curriculum and materials; Wonders Reader Writer Workshop Curriculum Materials and Online resources; Common Core Support Coach Text Based Writing Response to Text Guided Practice

**Targeted Barriers to Achieving the Goal** **3**

- A comprehensive knowledge and understanding of how to teach to the new writing standards; Availability of district or state professional development on how to teach writing; Best practices on how to teach writing across content areas
- School Wide Writing Plan does not reflect new standards;

**Plan to Monitor Progress Toward G2.** **8**

In collaboration with the Leadership team, teachers will analyze writing prompt data and make adjustments to instruction as needed.

**Person Responsible**

Deborah Dillon

**Schedule**

Quarterly, from 11/3/2014 to 6/5/2015

**Evidence of Completion**

District and school wide writing prompt data, Florida Standards Assessment data

**G3.** Based on data from the 2013-14 school year, Rosewood Magnet School will focus on implementing a sustainable, engaging, balanced literacy program to increase student achievement in reading. 1a

G036015

**Targets Supported** 1b

Indicator	Annual Target
AMO Reading - All Students	84.0
AMO Reading - ED	75.0
AMO Reading - SWD	63.0
AMO Reading - African American	70.0
AMO Reading - White	88.0
AMO Reading - Hispanic	78.0

**Resources Available to Support the Goal** 2

- Dedicated teachers Leadership Team Literacy Coach Learning Alliance Moonshot Moment Initiative The Learning Alliance Professional Development opportunities Literacy Council PD 360 2 fully implemented Foundations grade levels 1 grade level in training for Foundations District Foundations Coach Lucy Calkins- K, 1 School Wide writing committee School Based Multi-tiered System of Support (MTSS) Master Coaches Master Coach Program Meeting Protocols IRTIPS- Indian River Teachers Instructional Practice Strategies IRFIL- Moonshot Academy- afterschool program 1st- 5th grade Accelerated Reader Program volunteers MTSS Problem Solving Team Collaborative Grade Level meetings

**Targeted Barriers to Achieving the Goal** 3

- Teacher knowledge of what a rigorous, engaging, standards based, balanced literacy program includes.

**Plan to Monitor Progress Toward G3.** 8

Teachers in collaboration with the leadership team will review multiple sources of data, including but not limited to: district benchmark data, FAIR FS, DIBELS Next, FSA, SAT 10

**Person Responsible**

Jennifer Norris

**Schedule**

Quarterly, from 10/1/2014 to 6/9/2015

**Evidence of Completion**

Increased student achievement in the targeted sub groups on formative and summative assessments including the FSA

## Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

### Problem Solving Key

**G** = Goal                      **B** =  
Barrier                      **S** = Strategy

**1** = Problem Solving Step       S123456 = Quick Key

**G1.** Based on data from the 2013-14 school year, Rosewood Magnet School will provide rigorous, standards based instruction in mathematics. **1**

 G051667

**G1.B2** Teacher understanding of the new Florida Standards in Mathematics and an understanding of how to implement a standards based instructional framework for mathematics. **2**

 B129973

**G1.B2.S1** Provide Professional Development on the framework for standards based instruction in mathematics. **4**

 S142207

### Strategy Rationale

Teachers will gain the understanding and knowledge of how to implement the framework for standards based instruction in mathematics

### Action Step 1 **5**

Teachers will receive professional development on the new Florida Math Standards and the framework for standards based instruction.

#### Person Responsible

Jennifer Norris

#### Schedule

On 3/27/2015

#### Evidence of Completion

Attendance rosters and reflections

**Plan to Monitor Fidelity of Implementation of G1.B2.S1** 6

The Assistant Principal will meet with the facilitator of the Professional Development in advance to help develop grade specific content. The Leadership team will also attend the Professional Development.

**Person Responsible**

Jennifer Norris

**Schedule**

On 3/27/2015

***Evidence of Completion***

Attendance roster, meeting protocols, meeting artifacts

**Plan to Monitor Effectiveness of Implementation of G1.B2.S1** 7

Teacher observations, review of lesson plans, dialogue

**Person Responsible**

Deborah Dillon

**Schedule**

***Evidence of Completion***

lesson plans, documented teacher observations

**G2.** Based on 2014 Rosewood Magnet School FCAT writing scores and the implementation of the new ELA Florida Standards Assessment, Rosewood Magnet will focus on implementing rigorous, standards based writing across content areas. 1

G051533

**G2.B1** A comprehensive knowledge and understanding of how to teach to the new writing standards; Availability of district or state professional development on how to teach writing; Best practices on how to teach writing across content areas 2

B129432

**G2.B1.S1** Provide Professional Development on standards based instruction and writing across content areas 4

S141700

### Strategy Rationale

Teachers need professional development in understanding and becoming familiar with the writing standards. By delving deeper into the standards, teachers will be able to plan for what the students should know, understand and be able to demonstrate. Teachers will also gain explicit strategies that can be used in writing across content areas.

### Action Step 1 5

Provide professional development on academic vocabulary within the Florida writing standards

#### Person Responsible

Lisa Ross

#### Schedule

On 6/12/2014

#### Evidence of Completion

Teachers will create a graphic organizer that details the academic language, student friendly definition and example of each academic term.

### Action Step 2 5

Promote and provide access professional development on standards based instruction with an emphasis on writing as offered through the district staff development office.

#### Person Responsible

Jennifer Norris

#### Schedule

On 10/17/2014

#### Evidence of Completion

Evidence of attendance will be documented by attendance rosters.

### Action Step 3 5

Provide professional development on effective strategies for writing across content areas using "Writing Strategies for Science".

#### **Person Responsible**

Lisa Ross

#### **Schedule**

On 11/28/2014

#### **Evidence of Completion**

Through a Jigsaw protocol, teachers will understand best practices when teaching writing across the content areas. Teachers will synthesize, analyze and create an organizational chart of effective strategies for use while writing across content areas.

### Action Step 4 5

Provide designated professional development opportunities embedded during the school day in the area of standards based instruction with an emphasis on reading and writing.

#### **Person Responsible**

Lisa Ross

#### **Schedule**

Semiannually, from 10/20/2014 to 6/5/2015

#### **Evidence of Completion**

Teachers will be able to plan a lesson based on their standards using resources that reflect the rigor of the standard. The lesson plans will also reflect what the students should know, understand and be able to demonstrate, according to the standard.

### Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

Attendance at the scheduled Professional Development opportunities

#### **Person Responsible**

Deborah Dillon

#### **Schedule**

Quarterly, from 6/11/2014 to 6/5/2015

#### **Evidence of Completion**

Professional Development protocols, teacher evidence created during the professional development

## Plan to Monitor Effectiveness of Implementation of G2.B1.S1 7

The Leadership team will observe standards based lessons, collect standards based lesson plans and continue to have dialogue with grade level teams in the area of standards based instruction.

### **Person Responsible**

Deborah Dillon

### **Schedule**

Weekly, from 10/1/2014 to 6/5/2015

### **Evidence of Completion**

Teacher observations, lesson plans, district writing prompts, dialogue with the leadership team, evidence of collaborative planning in standards based instruction

## G2.B1.S2 Professional Development on Lucy Calkins Writing Units of Study 4

 S141974

### **Strategy Rationale**

The rationale behind Lucy Calkins Units of Study is to create writers that are able to comprehend, analyze, summarize, interpret, infer and predict through a school wide writing approach that includes systematic teaching of opinion/argument, informative/explanatory and narrative writing set in the Florida Standards.

## Action Step 1 5

Provide Professional Development in Lucy Calkins Units of Study

### **Person Responsible**

Deborah Dillon

### **Schedule**

On 7/31/2014

### **Evidence of Completion**

Daily attendance, dialogue of strategies learned

**Action Step 2** 5

Kindergarten and First Grade teachers who were previously trained in the Units of Study will attend a half day professional development opportunity with a trainer from the Teachers College.

**Person Responsible**

Deborah Dillon

**Schedule**

On 9/16/2014

**Evidence of Completion**

Attendance and dialogue of strategies learned

**Plan to Monitor Fidelity of Implementation of G2.B1.S2** 6

Teachers will be provided with substitutes to cover their classrooms while they attend all available trainings with the Teachers College.

**Person Responsible**

Deborah Dillon

**Schedule**

Semiannually, from 9/16/2014 to 3/27/2015

**Evidence of Completion**

Leadership team attendance of trainings, dialogue following trainings

**Plan to Monitor Effectiveness of Implementation of G2.B1.S2** 7

The leadership team will observe teachers collaboratively planning for and implementing the Units of Study.

**Person Responsible**

Deborah Dillon

**Schedule**

Weekly, from 8/18/2014 to 6/5/2015

**Evidence of Completion**

Documented teacher observations, lesson plans, district writing prompts

**G2.B2** School Wide Writing Plan does not reflect new standards; 2

B129433

**G2.B2.S1** Rosewood will develop a new school wide writing plan to provide specific strategies and skills to include the new writing, speaking & listening, and language standards. 4

S141989

**Strategy Rationale**

The new school wide writing plan must reflect the new standards of each grade level.

**Action Step 1** 5

Rosewood will form a school wide writing team committee where collaborative dialogue will occur on the past plan and how to amend the new plan to provide specific strategies and skills to include the new writing, speaking & listening, and language standards. So all grade levels are represented, one member from each grade level will attend the committee meetings. All members will have a voice in the process as this is a school wide plan that must address the standards of each grade level.

**Person Responsible**

Jennifer Norris

**Schedule**

On 6/5/2014

***Evidence of Completion***

attendance roster

**Action Step 2** 5

The writing plan committee team members will meet throughout the school year to review, revise, and edit the plan. Members will meet to provide input on the draft plan and ensure it is addressing key components needed to ensure all standards are taught.

**Person Responsible**

Jennifer Norris

**Schedule**

Quarterly, from 8/11/2014 to 6/5/2015

***Evidence of Completion***

Meeting notes and drafts of the plan will be recorded.

**Action Step 3** 5

Meeting notes and drafts of the new plan will be shared with the staff as all school staff must have the same understanding and knowledge of the new draft plan.

**Person Responsible**

Jennifer Norris

**Schedule**

Quarterly, from 8/12/2014 to 6/5/2015

**Evidence of Completion**

attendance roster and reflections

**Plan to Monitor Fidelity of Implementation of G2.B2.S1** 6

Meeting dates and times will be monitored for timeliness and the leadership team will be in attendance

**Person Responsible**

Deborah Dillon

**Schedule**

On 6/5/2015

**Evidence of Completion**

Meeting dates and agendas will be collected.

**Plan to Monitor Effectiveness of Implementation of G2.B2.S1** 7

The leadership team will monitor the draft plans and dialogue during the revision process as well as the implementation of the new plan within instruction.

**Person Responsible**

Deborah Dillon

**Schedule**

Quarterly, from 6/5/2014 to 6/5/2015

**Evidence of Completion**

Draft plans, meeting notes, lesson plans, teacher observations

**G3.** Based on data from the 2013-14 school year, Rosewood Magnet School will focus on implementing a sustainable, engaging, balanced literacy program to increase student achievement in reading. 1

G036015

**G3.B1** Teacher knowledge of what a rigorous, engaging, standards based, balanced literacy program includes. 2

B116803

**G3.B1.S1** Provide continuous professional development on the components of a rigorous, standards based, balanced literacy program. 4

S128465

### Strategy Rationale

Through the Professional Development activities, teachers will have practical knowledge of how to implement the components of a standards based, balanced literacy program.

### Action Step 1 5

Provide continuous quality professional development opportunities on the components of a rigorous, standards based, balanced literacy framework.

#### Person Responsible

Jennifer Norris

#### Schedule

Quarterly, from 8/12/2014 to 6/4/2015

#### Evidence of Completion

Lesson plans, classroom observations, observation of teacher collaboration, continuous review of school wide data such as: Foundations unit tests, DIBELS, district benchmarks, FAIR-FS, FSA and SAT 10 data.

### Plan to Monitor Fidelity of Implementation of G3.B1.S1 6

The facilitators will provide information that is research based and provide strategies are proven to be effective. Meeting dates will be adhered to in order to provide ongoing professional development

#### Person Responsible

Deborah Dillon

#### Schedule

Weekly, from 8/18/2014 to 6/4/2015

#### Evidence of Completion

Meeting agendas and calendar dates

**Plan to Monitor Effectiveness of Implementation of G3.B1.S1** 7

Teacher knowledge and implementation of the balanced literacy components will be monitored through lesson plans, classroom observations, and through dialogue during conferences with administrators and feedback sessions with the Literacy Coach. The Leadership team will discuss observations before planning the next PD.

**Person Responsible**

Jennifer Norris

**Schedule**

Monthly, from 8/12/2014 to 6/4/2015

***Evidence of Completion***

Informal and formal teacher observation data, lesson plans, dialogue during conferences with administrators and feedback sessions with the Literacy Coach.

**G3.B1.S2** Provide intense professional development on The Performance Cycle which includes: engaging instructional strategies in the areas of building communities, vocabulary, comprehension, writing, student and teacher collaboration and reflection, speaking and listening. 4

 S128468

### Strategy Rationale

The following excerpts were taken from the book "A Reason to Read", from which the Professional Development is based upon.

"Ideas concepts and themes presented in this PD will serve as catalysts for building the classroom community, exploring a work of literature, helping students create written and artistic responses to text, and shaping performances that demonstrate the richness of our students work. The goal is to create memorable literacy experiences for students, to engage them and help them learn and grow."

For example,

"Students will know and come to respect each other so that learning can take place. Teachers create spaces with which students feel they are known and appreciated. Students understand the purpose of their work and value their own roles in the creation and collaboration that takes place. Students are introduced to essential questions, topics, and themes that establish connections between the academic content and their own lives. They begin to explore the language, characters and plot of a core print text through multiple art forms. Activities focus on reading, writing, and communication skills. For example, activities focus on plot, themes, vocabulary, language style, and texture. Students read deeply and widely using Webbs Depth of Knowledge to help guide the teachers' instruction. Students respond to essential questions and themes with their own interpretations and personal responses. Students will be expected to write in different mediums including but not limited to playwriting, poetry, short stories, video, and visual arts. Through revision , students give and receive feedback. The feedback from peers and teachers allows for continuous assessment and improvement. Students demonstrate what they have learned through a performance for their peers, family, and friends. Teachers and students consistently are engaged in thinking and talking about their work as a way to highlight successes and areas of improvement."

### Action Step 1 5

Provide intense professional development on The Performance Cycle which includes: engaging instructional strategies in the areas of building communities, vocabulary, comprehension, writing, student and teacher collaboration and reflection, speaking and listening.

#### Person Responsible

Lisa Ross

#### Schedule

Daily, from 9/3/2014 to 10/2/2014

#### Evidence of Completion

Reflection journals, final lesson plans, teacher participation, Moonshot Academy observations

**Plan to Monitor Fidelity of Implementation of G3.B1.S2 6**

The facilitators will provide information that is research based and provide strategies are proven to be effective and engaging. Meeting dates and times will be adhered to in order to provide ongoing professional development.

**Person Responsible**

Lisa Ross

**Schedule**

Weekly, from 9/2/2014 to 5/29/2015

**Evidence of Completion**

Evidence will be collected through lesson plans, observations of the professional development.

**Plan to Monitor Effectiveness of Implementation of G3.B1.S2 7**

Teacher knowledge and implementation of the balanced literacy components, performance cycle and engagement strategies will be monitored through lesson plans, classroom observations, and through dialogue during conferences with administrators and feedback sessions with the Literacy Coach.

**Person Responsible**

Jennifer Norris

**Schedule**

Quarterly, from 8/12/2014 to 6/9/2015

**Evidence of Completion**

Dialogue, lesson plans, observations

**Appendix 1: Implementation Timeline**

## Appendix 2: Professional Development and Technical Assistance Outlines

*Professional development opportunities and technical assistance items identified in the SIP as action steps to achieve the school's goals.*

## Professional Development Opportunities

*Professional development opportunities identified in the SIP as action steps to achieve the school's goals.*

**G1.** Based on data from the 2013-14 school year, Rosewood Magnet School will provide rigorous, standards based instruction in mathematics.

**G1.B2** Teacher understanding of the new Florida Standards in Mathematics and an understanding of how to implement a standards based instructional framework for mathematics.

**G1.B2.S1** Provide Professional Development on the framework for standards based instruction in mathematics.

### **PD Opportunity 1**

Teachers will receive professional development on the new Florida Math Standards and the framework for standards based instruction.

#### **Facilitator**

Jennifer Norris and District Math Coach

#### **Participants**

K-5 classroom teachers

#### **Schedule**

On 3/27/2015

**G2.** Based on 2014 Rosewood Magnet School FCAT writing scores and the implementation of the new ELA Florida Standards Assessment, Rosewood Magnet will focus on implementing rigorous, standards based writing across content areas.

**G2.B1** A comprehensive knowledge and understanding of how to teach to the new writing standards; Availability of district or state professional development on how to teach writing; Best practices on how to teach writing across content areas

**G2.B1.S1** Provide Professional Development on standards based instruction and writing across content areas

**PD Opportunity 1**

Provide professional development on academic vocabulary within the Florida writing standards

**Facilitator**

Lisa Ross and Jennifer Norris

**Participants**

All K-5 teachers

**Schedule**

On 6/12/2014

**PD Opportunity 2**

Promote and provide access professional development on standards based instruction with an emphasis on writing as offered through the district staff development office.

**Facilitator**

District Literacy Coaches

**Participants**

All 2-5th grade teachers

**Schedule**

On 10/17/2014

### PD Opportunity 3

Provide professional development on effective strategies for writing across content areas using "Writing Strategies for Science".

#### Facilitator

Lisa Ross, Jennifer Norris

#### Participants

Open to all Rosewood Magnet teachers

#### Schedule

On 11/28/2014

### PD Opportunity 4

Provide designated professional development opportunities embedded during the school day in the area of standards based instruction with an emphasis on reading and writing.

#### Facilitator

Lisa Ross/ Jennifer Norris

#### Participants

K-5 classroom teachers

#### Schedule

Semiannually, from 10/20/2014 to 6/5/2015

## G2.B1.S2 Professional Development on Lucy Calkins Writing Units of Study

### PD Opportunity 1

Provide Professional Development in Lucy Calkins Units of Study

#### Facilitator

Teachers College

#### Participants

K-1 classroom teachers

#### Schedule

On 7/31/2014

## PD Opportunity 2

Kindergarten and First Grade teachers who were previously trained in the Units of Study will attend a half day professional development opportunity with a trainer from the Teachers College.

### Facilitator

Teachers College

### Participants

Kindergarten and First Grade teachers

### Schedule

On 9/16/2014

**G3.** Based on data from the 2013-14 school year, Rosewood Magnet School will focus on implementing a sustainable, engaging, balanced literacy program to increase student achievement in reading.

**G3.B1** Teacher knowledge of what a rigorous, engaging, standards based, balanced literacy program includes.

**G3.B1.S1** Provide continuous professional development on the components of a rigorous, standards based, balanced literacy program.

## PD Opportunity 1

Provide continuous quality professional development opportunities on the components of a rigorous, standards based, balanced literacy framework.

### Facilitator

Literacy Coach, Assistant Principal

### Participants

All teachers

### Schedule

Quarterly, from 8/12/2014 to 6/4/2015

**G3.B1.S2** Provide intense professional development on The Performance Cycle which includes: engaging instructional strategies in the areas of building communities, vocabulary, comprehension, writing, student and teacher collaboration and reflection, speaking and listening.

**PD Opportunity 1**

Provide intense professional development on The Performance Cycle which includes: engaging instructional strategies in the areas of building communities, vocabulary, comprehension, writing, student and teacher collaboration and reflection, speaking and listening.

**Facilitator**

Literacy Coach, Learning Alliance Facilitator

**Participants**

All Rosewood Magnet teachers who wish to participate.

**Schedule**

Daily, from 9/3/2014 to 10/2/2014

## Budget Rollup

### Summary

Description	Total
<b>Goal 2:</b> Based on 2014 Rosewood Magnet School FCAT writing scores and the implementation of the new ELA Florida Standards Assessment, Rosewood Magnet will focus on implementing rigorous, standards based writing across content areas.	3,645
<b>Grand Total</b>	<b>3,645</b>

**Goal 2: Based on 2014 Rosewood Magnet School FCAT writing scores and the implementation of the new ELA Florida Standards Assessment, Rosewood Magnet will focus on implementing rigorous, standards based writing across content areas.**

Description	Source	Total
<b>B1.S1.A4</b> - Provide substitutes extended time during the teacher work day to provide for Professional Development.	General Fund	1,200
<b>B1.S2.A1</b> - Purchase Lucy Calkins Units of Study materials for each Kindergarten and First Grade teacher.	General Fund	2,145
<b>B1.S2.A2</b> - Half day substitutes will be provided for training dates.	General Fund	300
<b>Total Goal 2</b>		<b>3,645</b>
