## ABOUT ME

I am known by my friends as the person who is somewhat of a perfectionist, doing everything I do to the best of my ability, until it is properly completed and presentable.

I take ownership of whatever is entrusted to my care and attention. I therefore go the extra distance to ensure that every potential client that I engage with, gets my full attention, not cutting corners, and not leaving anything to chance.

I am a very neat person, believing that everything about you, says something about you. The only difference between a big shot and a little shot, is that a big shot is a little shot that never stopped shooting. I like to deal with clients on a personal level, getting to know them better and better as a friend, yet maintaining a level of professionalism when it comes to their financial planning and portfolio.

Do everything on a level of excellence! "I hereby would like to congratulate Attooh on excellent service received from Gerjo Oosthuizen. I received very good service. I will definitely recommend him to everyone I know.
