"Give a man a fish and you feed him for a day; teach a man to fish and you feed him for a lifetime." - Maimonides (Spanish philosopher, 1135 - 1204)

A thirst for the knowledge required to create a sound financial portfolio guided me to partner with attooh! Financial Wellness (Pty) Ltd when it was founded in 2013. With the power of attooh!'s unique platform, I can offer you a tailor made approach to your Financial Wellness and Wealth Management needs.

My journey

After sixteen years in the Financial Services industry, I had a wealth of knowledge and a vision of being self-employed and building sustainable businesses based on old-fashioned service combined with cutting-edge products. In 2013. My wife Lyn McLachlan (also a Financial Advisor) and I partnered with attooh! Financial Wellness Sandton. Seizing this opportunity of helping others to reach their financial goals has enabled us to build a meaningful legacy for our loved ones.

About me

Apart from empowering our clients to meet and even exceed their financial goals, we enjoy recruiting and working with dynamic, entrepreneur minded individuals in our team. We are both qualified, passionate and excited to teach business ideas and implement principles through our Financial Services and Wealth Management practise. Both Lyn and I enjoy spending hours building ourselves up, through principles gained from personal growth books and seminars which we attend regularly. Out and about we enjoy socialising, gardening, sports and of course, fly fishing.

If someone asks you, "Are you a millionaire?" your immediate response would probably be NO if you don't have millions in the bank, right?

We always think that there should be "more to life" and that MONEY would buy us happiness. But, what if someone asks you whether you would trade your family, friends, partner, or your skillset for a million Rand in cash, hmmm then your answer would probably be NO too, right?

The Ordinary Millionaire is attooh! 's financial educational drive. It is based on the fact that YOU ARE indeed a millionaire already. The people you love and the moments of deep, authentic wellness - goes way beyond a life of worldly riches. Your MOMENTS, your happiness, that makes you a millionaire.

The ordinary millionaire is you. It's me. It's when we realise that the millionaire-moments and magic of life is in everything that surrounds us...

Once you have bred your internal millionaire mindset, when you start working with what you have rather than resenting what you don't, you pave a way of true purpose. And then... it's just a simple formula, a proven recipe, strategy, and commitment that will set you on a journey to complement your millionaire mindset with an external, monetary one.

Every single person has the opportunity to become a millionaire. We feel everyone should have the know-how and the knowledge to do so. The Ordinary Millionaire is an initiative inspired and developed by financial experts that want to equip you.

DOES YOUR MONEY NEED A “PROFESSIONAL TRAINER”?

Financial planning is more than just numbers on a piece of paper. It's about your life – and what you want out of it. Do you understand where you are? Do you know what your financial goal is? How about the security of your family's future? Financial planning connects life with finance and evaluates the assets needed to help make a dream come true. We use financial tools to help us learn about your goals to offer guidance for every step of your journey in this unpredictable life.
