INSURE (continued)

5 GREAT REASONS TO JOIN DISCOVERY INSURE

- You get unique and innovative Car Insurance**

With Discovery Insure, you get market-leading comprehensive car insurance at highly competitive rates. Our innovative vehicle cover also offers unique benefit features, including Write-off accelerator and Retail value booster. You also pay no excess in the event of theft-related or weather-related claims, and if an accident was caused by an insured third party. In addition, you have the option to join Vitality Drive.
- You get comprehensive and flexible Home Insurance**

Discovery Insure gives you insurance that is comprehensive, flexible and affordable to protect your home contents, buildings and portable items. Insuring your home with us also has its benefits – you get our Online Vault, estimated maximum loss and HomeAssist benefits at no extra cost. You also pay no excess if you have a valid claim for damage caused by theft, hijacking, hail, storm or fire.

A5 LEAFLET - FRONT

- You get rewarded for driving well with Vitality Drive**

Vitality Drive is Discovery Insure's unique driver behaviour programme that rewards you for driving well. You can earn up to R800 of your fuel spend back each month. You also get other rewards like a 0% car insurance renewal increase for Diamond status drivers, the ability to use your rewards for driving well to fund new tyres, discounted car washes, free popcorn or drinks with Active Rewards, and up to 25% off selected car seats. When you're not driving, you can get home with up to 25% off Uber and our other DriveMe partners. Vitality Drive also provides you with the ultimate reward: unique safety features to ensure your safety on the road.
- Intelligent technology to keep you safe**

Recognised through various international awards, DQ-Track, our advanced telematics technology, not only measures your driving behaviour but automatically provides you with state-of-the-art safety features, such as Impact Alert, where we send emergency help if you're involved in a vehicle accident, even if we can't get hold of you. You'd also get weather warnings to alert you of imminent, severe weather events as well as the ability to use your smartphone as a vehicle panic button*.

* only available on the smartphone-enabled DQ-Track
- Unique and easy claim services**

We continually create new and better ways to give you excellent service and ensure fast and fair claims resolution. You have access to many ways to log your claims, including our self-approved claims feature where you can approve your own geyser and vehicle glass claims within minutes. You can also track the progress of your claims online or on your smartphone. You even get a replacement for your lost or stolen specified electronic devices within 48 hours – or we'll waive your excess.

5 GREAT REASONS TO JOIN DISCOVERY BUSINESS INSURANCE

- You get comprehensive cover for your business, including unique cover for the risks of today**

With Discovery Business Insurance, you can enjoy all the benefits offered by the traditional multi-peril policy together with expanded cover for the risks of today such as cyber risks, non-physical damage business interruption, reputational risks, social media liability and legal risks. Businesses enjoy cover under four classes of business: motor, property, accident and liability.
- Advanced technology-enabled risk management to help you manage your business risks**

We use innovative technology to assess the risks at your business premises to make sure that your business is covered appropriately. Our risk engineers use drones, smart glasses and thermal imaging to gather more accurate and detailed information about the risk. You will be able to conveniently do your own risk assessment using our online self-assessment tool to help you understand and manage the risks facing your business. Your broker would also be able to complete this assessment on your behalf.

A5 LEAFLET - FRONT

- You get access to a tailored network of service providers at discounted rates to improve your business**

Discovery Business Insurance gives you access to a business diagnostic tool to help you assess your business health in the areas of sales, people, operational and financial management. The tool will help to give you detailed insights into your business, and customised solutions according to your business needs. You will also get access to a tailored network of service providers at preferential rates to help you manage and grow your business.
- Get rewarded and keep your drivers safe on the road with Vitality Drive for Business**

Vitality Drive for Business is a driver behaviour programme designed for businesses that uses the latest telematics technology to measure and reward good driving. You can get up to 30% of your vehicle premiums back each month and your drivers can get weekly Active Rewards such as airline, data, a meal, coffee or smoothie for driving well. Through Vitality Drive for Business, you get access to a fleet portal at no additional cost to help you monitor the driving behavior of all your drivers and to track your vehicles in real time. You also get state-of-the-art safety features* including weather warnings, the vehicle panic button and Impact Alert where we send emergency help when we detect a severe impact to your vehicle, even if we can't get hold of your drivers. * Available on Discovery Insure's smartphone-enabled DQ-Track
- Efficient claims service**

At Discovery Business Insurance, we understand the potential cost of interruptions to your business which is why we offer you efficient claims services. Our claims service innovations are designed to get you back in business quickly following a claim event. For qualifying large or complex claims, we will send out a SWAT team with a dedicated Project Manager who will manage the claims process efficiently to help you recover quickly. You also get 24/7 access to global reputation specialists, legal help online and remote IT assistance following a cyber incident to contain the loss to your business.
